### **ORDER OF DISMISSAL**

On June 3, 1993, the Board of Alien Labor Certification Appeals ("Board") issued an Notice and Order indicating that it would review, en banc, the above-styled cases. The Board ordered each Employer, within twenty days of the date of service of that Notice and Order, to file a statement of intent to proceed on behalf of the Alien. Employers were notified at that time that the failure to file such a statement would result in a dismissal of its appeal.

Employer, Heckscher Landscaping, did not file a notice of intent to proceed as directed. Therefore, on September 10, 1993, the Board issued an Order to Show Cause why Employer's appeal should not be dismissed. No response had been received. Accordingly,

**IT IS ORDERED** that Heckscher Landscaping, Inc.'s appeal is hereby **DISMISSED**.
