# **OVW Tribal Domestic Violence and Sexual Assault Coalitions Program (CFDA 16.587)**

## **Overview**

### **About the Office on Violence Against Women**

The Office on Violence Against Women (OVW) is a component of the U.S. Department of Justice. Created in 1995, OVW implements the Violence Against Women Act (VAWA) and subsequent legislation and provides national leadership against domestic violence, dating violence, sexual assault, and stalking. Since its inception, OVW has launched a multifaceted approach to responding to these crimes. By forging state, local and tribal partnerships among police, prosecutors, the judiciary, victim advocates, health care providers, faith leaders, and others, OVW grants help provide victims with the protection and services they need to pursue safe and healthy lives and enable communities to hold offenders accountable.

### **About the OVW Tribal Domestic Violence and Sexual Assault Coalitions Program**

In 1978, the National Coalition Against Domestic Violence (NCADV) was created, in part, through the leadership of American Indian and Alaska Native women survivors, advocates, and their allies. The first meeting of NCADV was hosted in 1979 by an American Indian nonprofit, nongovernmental organization on an Indian reservation. One year later, in 1980, the first battered women's shelter designed for Indian women opened its doors on a reservation. Prior to the shelter's establishment, Indian women opened up their homes and used their own resources to provide services to Indian victims of domestic violence and sexual assault.

These efforts by American Indian and Alaska Native women (Indian women) to improve systemic and community responses to violence against Indian women began to multiply across the nation, developing into a movement for victims' rights in Indian country. Drawing from unique traditions, Indian governments have been working in partnership with nonprofit organizations to promote the safety of Indian victims and the accountability of offenders. The VAWA offered additional resources and training to Indian tribes to develop specific responses to end domestic violence, sexual assault, and stalking.

Statistics highlight the need for further resources and organizations devoted to the issue of violent crimes against Indian women. The Bureau of Justice Statistics reports the following between 1992 and 2001:

- Indians experienced a per capita rate of violence twice that of the U.S. resident population;
- Indians were more likely to be victims of assault and rape/sexual assault committed by a stranger or acquaintance rather than an intimate partner or family member; and
- Nearly 80% of Indian victims of rape/sexual assault described the offender as white.<sup>1</sup>

<sup>1</sup> Perry, Steven W., *American Indians and Crime*, Washington, D.C., Bureau of Justice Statistics, December 2004, NCJ 203097.

Studies also indicate that Indian women suffer a disproportionate level of intimate partner violence and sexual assault.<sup>2</sup> Responding to this critical need, in Fiscal Year 2001, Congress appropriated resources for the development and operation of nonprofit, nongovernmental tribal domestic violence and sexual assault coalitions to address the unique issues that confront Indian victims. The Tribal Domestic Violence and Sexual Assault Coalitions Grant Program (Tribal Coalitions Program) provides much needed resources for organizing and supporting efforts to end violence against Indian women. The purpose of the Tribal Coalitions Program is to build the capacity of survivors, advocates, Indian women's organizations, and victim services providers to form nonprofit, nongovernmental tribal domestic violence and sexual assault coalitions to advance the goal of ending violence against American Indian and Alaska Native women. A portion of the funds provided under the Tribal Coalitions Program has been set aside to provide technical assistance to tribal coalitions.

The Tribal Coalitions Program implements certain provisions of the Violence Against Women Act of 2000 Public Law No. 106-386, the Justice for All Act of 2004, Public Law No. 108-405, and the Violence Against Women Act of 2005, Public Law No. 109-162. This solicitation provides program and application guidelines for grant awards to be administered by OVW.

## **Deadline: Letter of Intent**

All applicants who intend to apply for FY 2007 funding under this program are encouraged to **submit a non-binding letter of intent**, (please see [http://www.usdoj.gov/ovw/docs/sample\\_letter\\_of\\_intent.pdf](http://www.usdoj.gov/ovw/docs/sample_letter_of_intent.pdf)), to OVW by **December 21, 2006**. You may fax the letter to OVW at (202) 354-4376. OVW will use these letters to forecast the number of peer review panels needed to review competitive applications.

## **Deadline: Registration**

The *Grants.gov* registration deadline is **January 11, 2007**. Registering with Grants.gov is a one-time process; however, if you are a first-time registrant, it could take up to several weeks to have your registration validated and confirmed and to receive your user password. It is highly recommended you start the registration process as early as possible to prevent delays in submitting your application package to our agency by the deadline specified. There are three steps that you must complete before you are able to register: 1) register with Central Contractor Registry (CCR), 2) be authorized as an Authorized Grantee/Recipient Official (AGO) in your organization, and 3) register yourself as an AGO. For more information, go to [www.grants.gov](http://www.grants.gov). **Note: Your CCR registration must be renewed once a year. Failure to renew your CCR registration will prohibit submission of a grant application through Grants.gov.**

## **Deadline: Application**

The due date for applying for funding under this announcement is 8:00 pm EST **January 25, 2007**.

## Eligibility

**It is very important that you review this information carefully. Applications that are submitted by non-eligible entities will be screened out during an initial review process.**

Under 42 U.S.C. § 3796gg(d)(2), eligible applicants are either (1) established nonprofit, nongovernmental tribal coalitions addressing domestic violence & sexual assault against American Indian and Alaska Native women; or (2) individuals or organizations that propose to incorporate as nonprofit, nongovernmental tribal coalitions that will; (a) obtain nonprofit status within twelve months from the beginning of the project period, and (b) have as their primary mission addressing domestic violence and/or sexual assault against American Indian and/or Alaska Native women.

If an applicant proposes to form a coalition but has not yet incorporated the coalition as a nonprofit at the time of the grant award, the recipient organization or individual(s) will be legally responsible for the grant funds and for ensuring compliance with the terms and conditions of the grant. Once the coalition is incorporated as a nonprofit, it must submit written documentation authorizing continued representation by the recipient or authorized recipient official designated on the grant award document. The request must identify the coalition's proposed authorized official for the grant and include copies of the coalition's Articles of Incorporation and Bylaws, proof of the coalition's non-profit status by one of the methods described in 28 CFR 38.1(g), a certificate of good standing, brief biographies of all board members and professional staff. OVW may withhold release of a portion of grant funds for drawdown until the proposed coalition's corporate formation is complete.

Coalitions are not required to organize across a particular type of geographic area. Eligible applicants may include but are not limited to local and regional tribal coalitions. Moreover, eligible coalitions may choose to focus on domestic violence or sexual assault, or may develop an approach that addresses both crimes, which must be evident in the coalition's mission statement, proposed goals and objectives.

The leadership and expertise of Indian survivors who have been battered and/or sexually assaulted or persons who have experience working with Indian victims of domestic violence and/or sexual assault must be evident in the development and implementation of any coalition under this program. Members of the nonprofit, nongovernmental coalition should be comprised of domestic violence and/or sexual assault service providers or victim advocacy organizations, including faith-based and community organizations, that work tribally, statewide or regionally to institute systemic reform. In addition, coalitions can have broad-based representation, including elders and youth.

**Funding to Faith-Based and Community Organizations:** Consistent with President George W. Bush's Executive Order 13279, dated December 12, 2002, and 28 C.F.R. Part 38, it is DOJ policy that faith-based and community organizations that statutorily qualify as eligible applicants under DOJ programs are invited and encouraged to apply for assistance awards to fund eligible grant activities. Faith-based and community organizations will be considered for awards on the same basis as any other eligible applicants and, if they receive assistance awards, will be treated on an equal basis with all other grantees in the administration of such awards. No eligible applicant or grantee will be discriminated for or against on the basis of its religious character or affiliation, religious name, or the religious composition of its board of directors or persons working in the organization.

Faith-based organizations receiving DOJ assistance awards retain their independence and do not lose or have to modify their religious identity (e.g., removing religious symbols) to receive assistance awards. DOJ grant funds, however, may not be used to fund any inherently religious activity, such as prayer or worship. Inherently religious activity is permissible, although it cannot occur during an activity funded with DOJ grant funds; rather, such religious activity must be separate in time or place from the DOJ-funded program. Further, participation in such activity by individuals receiving services must be voluntary. Programs funded by DOJ are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion.

Applicants are encouraged to review the Civil Rights Compliance section under "Additional Requirements" in this announcement.

## **OVW Tribal Domestic Violence and Sexual Assault Coalitions Program – Specific Information**

### **Types of Applicants**

OVW will accept applications for the Tribal Coalitions Program from both currently funded tribal coalitions, as well as new applicants. Current tribal coalition grantees may be eligible for continuation or supplemental funding to support on-going activities or to enhance those activities for an extended period of time.

**Please Note:** Current grantees who received funding from the Tribal Coalitions Program in FY 2006 are not eligible to apply for FY 2007 funding.

**Continuation or supplemental funding is not guaranteed. All applications will be subject to review.**

### **Availability of Funds**

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law.

### **Award Period**

The award period for these grants is 24 months. Budgets must reflect 24 months of project activity.

### **Award Amounts**

Applicants should carefully consider the resources needed to successfully implement the proposed project and present a realistic budget that accurately reflects project costs. While there is no specific amount for which eligible organizations may apply, it is unlikely that OVW will make awards in excess of \$500,000 for new applications and up to \$700,000 for continuation applications.

### **Program Scope**

A coalition is a group of individuals, victim services providers and/or organizations, including faith-based and community organizations, working together in a common effort, for a common purpose to make more effective and efficient use of resources. The common purpose of tribal domestic violence and sexual assault coalitions must include the following: supporting and developing the leadership of the tribal coalition to effect social change and systemic reform in response to ending violence against Indian women; ensuring the safety of Indian victims of

domestic violence and/or sexual assault; and promoting the accountability of offenders. The leadership and expertise of Indian survivors who have been battered and/or sexually assaulted or persons who have experience working with Indian victims of domestic violence and/or sexual assault are critical to the successful development and operation of nonprofit, nongovernmental tribal domestic violence and sexual assault coalitions.

### **Purpose areas**

Grant funds must be used for activities in compliance with the following statutory purposes as set forth in 42 U.S.C. § 3796gg(d)(1):

- Increasing awareness of domestic violence and sexual assault against American Indian and Alaska Native women;
- Enhancing the response to violence against American Indian and Alaska Native women at the tribal, Federal, and State levels; and
- Identifying and providing technical assistance to coalition membership and tribal communities to enhance access to essential services to American Indian women victimized by domestic and sexual violence.

Grant funds may be used for, but are not limited to, the following activities:

- Establishing the tribal coalition and maintaining an office and hiring staff (reasonable costs in connection with the establishment of an organization are allowable);
- Providing technical assistance to coalition members, programs, organizations, and service providers to support and develop their leadership in ending violence against Indian women;
- Expanding the capacity of coalitions;
- Developing or enhancing appropriate standards of services for service providers;
- Conducting statewide, regional, and/or tribally-based meetings or workshops for tribal victim advocates, survivors, community members, legal services staff, health care professionals, and criminal justice representatives;
- Bringing local tribal programs together to identify gaps in services and to coordinate activities;
- Coordinating and presenting public awareness or community education programs (including education for youth) to increase understanding of domestic violence and/or sexual assault; and
- Providing direct services or assistance to victims of domestic violence, sexual assault, dating violence or stalking, however, no more than fifteen percent of the total budget may be used to support these activities.

### **Unallowable Activities**

Grant funds under the Tribal Coalitions Program may not be used for any unauthorized purposes, including but not limited to the following activities:

- Lobbying or lobbying-related activities, including the development and/or distribution of materials and travel to a state or national meeting for the sole purpose of lobbying (at any level of Federal, state, local or tribal government)
- Fundraising
- Research projects
- Addressing child abuse outside the context of domestic violence and/or sexual assault; and
- Physical modifications to buildings, including minor renovations

**Activities That May Compromise Victim Safety**

Ensuring victim safety is the guiding principle underlying this Program. Experience has shown that certain practices may compromise victim safety rather than enhance it. Certain responses by the authorities may have the effect of minimizing or trivializing the offender’s criminal behavior. Accordingly, consistent with the goals of ensuring victim safety while holding perpetrators accountable for their criminal conduct, applicants are strongly discouraged from proposing projects that include any activities that may compromise victim safety such as the following:

- Offering perpetrators the option of entering pre-trial diversion programs;
- Mediation or counseling for couples as a systemic response to domestic violence;
- Batterer intervention programs that do not use the power of the criminal justice system to hold batterers accountable for their behavior (to the extent that a criminal justice system exists in each community); and
- Procedures that would force victims of domestic violence, sexual assault, or stalking to testify against their abusers or impose other sanctions on them.

**Performance Measures**

To assist in fulfilling the Department’s responsibilities under the Government Performance and Results Act (GPRA), Public Law 103-62, applicants who receive funding under this solicitation must provide data that measures the results of their work. Performance measures for this solicitation are as follows:

<b>Objective</b>	<b>Performance Measures</b>	<b>Data Grantee Provides</b>
Strengthen partnerships for safer communities and enhancing the Nation’s capacity to prevent, solve, and control crime.	<ul style="list-style-type: none"> <li>• The number of member programs belonging to the coalition.</li> <li>• The number of staff in the coalition.</li> </ul>	This information will be provided to OVW through semi-annual progress report forms. Please see <a href="http://muskie.usm.maine.edu/Vawamei/attachments/pdf/forms/Tribal/tribalcoalitions">http://muskie.usm.maine.edu/Vawamei/attachments/pdf/forms/Tribal/tribalcoalitions</a>

- The approximate unobligated amount of award funds remaining as of January 25, 2007, if any; the anticipated time line for expenditure of any remaining funds within the grant award period; whether the grantee anticipates requesting a no-cost extension of the award; and the likely timeline for such a request.
- If the applicant proposed to form a new coalition and incorporate it as a nonprofit, whether the new coalition submitted as an attachment written documentation that identified the coalition's authorized official for the grant and included copies of the coalition's Articles of Incorporation and Bylaws proof of the coalition's non-profit status by one of the methods described in 28 CFR 38.1(g), a certificate of good standing, and brief biographies of all board members and professional staff have been received at OVW.

This section should be as clear and succinct as possible.

**Additionally, current projects will be rated by OVW using the following criteria:**

- Whether the grantee has received financial clearances on all current grants from DOJ;
- Whether the grantee has complied with the Office of Management and Budget audit requirement, if applicable;
- Whether grant funds have been spent in a responsible and timely manner.

one of the methods described in 28 CFR 38.1(g), a certificate of good standing, and brief biographies of all board members and professional staff have been received at OVW.

Please note, applicants with an OVW grant history that failed to meet grant deadlines, did not comply with Office of Justice Programs (OJP) financial requirements, or did not comply with special conditions from previous grants, will not be considered for funding.

D. Purpose of Application (10 points)

This section should briefly:

- Describe the challenges and problems to be addressed and how a tribal coalition would address those challenges and problems;
- Describe the communities which would be affected by the coalition, including the location, population, and demographic information;
- Include background information such as name, history, proposed or established membership requirements, etc.; and
- Include the coalition's mission statement and major accomplishments.

E. What Will Be Done (40 points)

- Describe the project goals and action plan, including a time line and a description of responsible individuals and agencies;
- For proposed new coalitions, provide a time-line for completing corporation formation activities within twelve months and describe how and by whom those activities will be accomplished. Corporate formation activities include drafting Articles of Incorporation, Bylaws, policies and procedures, recruiting board members, qualifying for tax exempt status, filing incorporation papers with the appropriate jurisdiction, and applying for an Employer Identification Number.
- Identify the staffing needs, including job descriptions identifying the responsibilities of proposed staff positions and qualifications that would be required of key staff conducting and managing the proposed project;
- Outline the technical assistance and training needs of the coalition; and
- Describe any products that can be shared with other grantees. Products may include, but are not limited to mission statements, articles of incorporation, policies and protocols, curricula, public education and training materials, and audio-visual materials.

F. Who Will Implement the Project (30 points)

All applicants must identify those persons in leadership positions within the coalition (or points of contact). Include resumes or a summary describing experience effecting systemic reform in response to violence against Indian women and working with Indian victims of domestic violence and/or sexual assault.

G. Sustainability Plan (5 points)

As this is a competitive, discretionary program, there is no guarantee of continuation funding. Applicants are required to include a plan describing their commitment and capacity to continue the project if Federal funding through the Tribal Coalitions Program were no longer available.

The plan will be evaluated on whether it proposes feasible strategies to preserve project activities long-term. **Continuation or supplemental funding is not guaranteed and applicants are always encouraged to seek additional means of support to sustain their current projects.**

### **Budget Detail Worksheet and Budget Narrative (15 Points)**

Each application must include a detailed budget and budget narrative for the project. This will be submitted as an attachment in Grants.gov. The budget must be complete, reasonable, and cost-effective in relation to the proposed project. The budget should provide the basis for the computation of all project-related costs. It should cover the cost of all components of the project. There must be a clear link between the proposed activities and the proposed budget items. The budget should include only those activities, products, and resources that are necessary for project implementation and discussed in the project narrative.

In developing the budget, applicants should fairly compensate all project partners for their participation in any project-related activities, including but not limited to, compensation for time and travel expenses to attend or provide project development, training, and implementation. The budget **must** include compensation for all services rendered by project partners, including nonprofit, nongovernmental domestic violence and/or sexual assault victim services programs and state and tribal domestic violence and/or sexual assault coalitions.

### **Budget Caps**

Although there is no specific amount for which eligible individuals or organizations may apply, it is highly unlikely that OVW will make individual awards in excess of up to \$500,000 for new applications and up to \$700,000 for continuation applications.

**OVW has the discretion to make grants for greater or lesser amounts than requested and to negotiate the scope of work and budget with applicants prior to award of a grant.**

### **Budget Requirements**

The following is a short list of budget guidelines:

- Applicants are strongly discouraged from requesting consultant rates in excess of \$450 per day because they require prior approval from the Director of the Office on Violence Against Women.
- Applicants **may not** allocate any funds for building renovations. This includes such seemingly minor activities as painting or carpeting.
- Applicants **may not** use any OVW funds for conducting research. However, up to 1% of the budget may be allocated for the purpose of assessing the effectiveness of funded activities. For example, funds may be used to conduct pre and post testing of training recipients or victim satisfaction surveys. In conducting such testing or surveys, grantees may not collect, analyze or disseminate any information identifiable to a private person during the course of assessing the effectiveness of funded activities.
- Access to current research and practice on violence against women through training and technical assistance can reduce staff burnout, improve project performance, and impact project sustainability. Therefore, OVW offers a wide range of training and technical assistance opportunities to all of its grantees. These offerings are specifically designed to

assist grantees in meeting their goals and objectives and in complying with all relevant statutory and programmatic requirements. All applicants **are required** to allocate funds in the amount of **\$30,000 (\$35,000 for Alaska applicants)** to support travel costs associated with technical assistance and capacity-building activities sponsored by OVW-designated technical assistance providers. Applications selected for funding that do not include the entire recommended amount will not receive additional funds for this purpose, but will be required to adjust their budgets to cover these costs prior to final approval of the proposal. This required amount must be included in the “travel” category. Please provide an estimated breakdown for this amount (include the number of trips, number of travelers, airfare or mileage, lodging, per diem, etc.). These funds are to be used **only** for OVW-designated technical assistance unless otherwise approved by OVW. Any training and TA funds not used by the end of the grant period may not be reprogrammed and must be returned to OVW. Travel funds should be used to support travel by all partners, including nonprofit, nongovernmental victim services providers.

- Applicants are also encouraged to include funds in their budgets to attend Financial Management Training Seminars sponsored by the Office of Justice Programs (OJP), Office of the Comptroller. These seminars instruct participants in the financial administration of OJP and OVW formula and discretionary grant programs. A schedule listing the financial training seminars is available at <http://www.ojp.usdoj.gov/oc/fmts.htm>.
- For applicants proposing to form new coalitions, identify those costs associated with corporate formation activities, including drafting Articles of Incorporation, Bylaws, Policies and Procedures; recruiting of board members, qualifying for tax-exempt status, filing incorporation papers with the appropriate jurisdiction; and applying for an Employer Identification Number. OVW may limit access to all grant funds until corporate formation activities are completed.
- Providing direct services or assistance to victims of domestic violence, sexual assault, dating violence or stalking, however, no more than fifteen percent of the total budget may be used to support these activities

A **Sample Budget Detail Worksheet** is available at [http://www.ojp.usdoj.gov/Forms/budget\\_fillable.pdf](http://www.ojp.usdoj.gov/Forms/budget_fillable.pdf). The budget and budget narrative should be submitted online as one attachment. When preparing these items, please use the Budget Detail Worksheet as a guide and be sure to include all necessary budget categories. The budget should clearly describe the proposed amounts and uses of grant funds for the duration of the grant period and how the amounts of the specific budget items were determined.

**Support Letters(s) from existing tribal domestic violence or sexual assault victim advocacy programs or organizations:**

Applicants must include a letter(s) from community members to be served or from existing tribal domestic violence or sexual assault victim advocacy programs or organizations describing their involvement with the development and/or operation of the tribal coalition.

**Letter of Nonsupplanting**

Applicants must submit a letter to OVW's Director, certifying that Federal funds will not be used to supplant State or local funds should a grant award be made. Please refer to [http://www.usdoj.gov/ovw/docs/nonsup\\_letter.pdf](http://www.usdoj.gov/ovw/docs/nonsup_letter.pdf) for a sample letter.

### **Financial Capability Questionnaire**

All nonprofit, nongovernmental organizations that apply for funding with OVW that have not previously (or within the last 3 years) received funding from OVW or OJP must complete a Financial Capability Questionnaire. The form can be found at <http://www.ojp.usdoj.gov/oc>. You should also include the cognizant Federal audit agency and fiscal year on the first page. In addition, be sure to submit your current year's audit report with the Financial Capability Questionnaire.

### **Indirect Cost Rate Agreement**

If your organization is requesting indirect costs for this project, please include a copy of your current, signed indirect cost rate agreement. If you need additional information on this requirement, please go to <http://www.ojp.usdoj.gov/FinGuide/part3chap17.htm>.

### **Selection Criteria**

The total points possible for an application are 100 (85 points for Narrative, 15 points for Budget). Applications with the highest composite scores will be considered for funding.

### **Review Process**

All applications will be subject to internal review by OVW staff. **If the application fails to meet the criteria listed below, the application will not receive further consideration.** Criteria for the initial review include the following:

- Whether the application is complete;
- Whether the proposed activities are within the scope of the program (see Page 6);
- Whether all statutory eligibility criteria are met (see Page 5);

Applications that satisfy the initial review criteria will undergo additional review and will be scored according to the criteria set forth in this solicitation. If applications contain activities that are partially outside the scope of the Tribal Coalitions Program, then only those activities that are within the scope of the program will be considered for funding. Additional review criteria include:

- Whether the proposed budget is within the established limits (see Page 6);
- Whether the geographic distribution of the applications is representative of Indian country;
- Whether the ratio of population to the coalition's proposed services is justified; and
- What types of projects are already funded within the applicant's community.

In addition, applications for continuation funding will be reviewed for prior compliance with Program and Office requirements and the status of current grant-funded activities. (See page 10 for further details on criteria for this review.) Applicants with an OVW grant history that failed to meet grant deadlines, did not comply with Office of Justice Programs (OJP) financial requirements, or did not comply with special conditions from previous grants, will not be considered for funding.
