

# OAK RIDGE/KNOXVILLE DETAILED ROUTE MAP

**I-140/State Route 162 (Pellissippi Parkway) from McGhee Tyson Airport.**

(See Other Side)

- Leave McGhee Tyson Airport and take US-129 North, following signs to Oak Ridge
- A short distance later you will see an exit for Oak Ridge - take it onto I-140 West.
- I-140 West crosses over Kingston Pike in Knoxville and over I-40/75 becoming State Route 162. This is also known as the Pellissippi Parkway Extension
- Continue on State Route 162, bear left where it becomes State Route 62
- Go through Solway, a small strip of stores, and take the Solway Bridge over Melton Hill Lake. You should begin seeing signs for the Office of Scientific and Technical Information
- Immediately after the Solway Bridge take the Edgemoor Road exit which runs along the lake
- At the first light take the right hand jog which will send you through the light perpendicular to Edgemoor Road onto Melton Lake Drive
- Follow Melton Lake Drive almost to its end, which is Oak Ridge Turnpike. Right before this point and immediately after railroad tracks, turn left at the DOE Office of Scientific and Technical Information sign, onto Warehouse Road
- OSTI is the large red brick building on the right. Go past the back of the building on this road and take the first right onto the former Athens Road, the new Science.gov Way. Parking will be available on the right
