Summer Internship Opportunity

Collegiate Leaders in Environmental Health

CDC invites qualified applicants to apply for a ten week summer program in Environmental Public Health at the National Center for Environmental Health /Agency for Toxic Substances and Disease Registry (NCEH/ATSDR) in Atlanta, Georgia. This is a full time summer opportunity for rising collegiate juniors and seniors to get real-world experience in Environmental Public Health activities at the federal level. Students will assist with projects and be paired with mentors to gain experience in the fascinating field of Environmental Public Health. Students that are majoring in Environmental Sciences/Studies or related fields are encouraged to visit our website at <http://www.cdc.gov/nceh/ceh/default.htm> for more information.

Stipend: \$500 per week

Deadline for application: March 4, 2008 • Program dates: June 4 - August 8, 2008
