**SECTION VI. USSGL Crosswalks - Reclassified Statements**

This section includes crosswalks for use in fiscal 2008. These crosswalks map USSGL accounts to external reports in accordance with TFM Volume I, Part 2, Chapter 4700, Agency Reporting Requirements for the *Financial Report of the United States Government*, Transmittal Letter 644, dated May 30, 2008.

Each report crosswalk lists the proper USSGL accounts and applicable attributes for each line and/or column on the reports. Attributes identify information subsidiary to the basic 4-digit USSGL accounts. This subsidiary information is necessary to meet external reporting requirements. See Section IV for additional information on attributes.

Lines appearing in boldface type indicate early implemented USSGL accounts.

The following are crosswalks from the USSGL Chart of Accounts to standard external reports required by FMS:
