**SECTION VI. Crosswalks to the Closing Package**

This section includes crosswalks for use in fiscal 2004. These crosswalks map USSGL accounts to external reports in accordance with current guidance from FMS.

Each report crosswalk lists the proper USSGL accounts and applicable attributes for each line and/or column on the reports. Attributes identify information subsidiary to the basic 4-digit USSGL accounts. This subsidiary information is necessary to meet external reporting requirements. See Section IV for additional information on attributes.

The following are crosswalks from the USSGL Chart of Accounts to standard external reports required by FMS:
