INSTRUCTIONS

Schedule P is for computing the Oregon tax of a part-year resident trust. Do not use it for full-year Oregon trusts or full-year nonresident trusts. Use Schedule P in combination with Form 41 to compute an allocated amount of Oregon tax to Oregon-source taxable income.

Step 1. Complete Oregon Form 41, lines 1-7, using Oregon-source income only and the deductions directly related to that income. A federal Form 1041 may be used as a worksheet to show Oregon-source amounts. Transfer the amount on Form 41, line 7, to Schedule P, line 8.

Step 2. Complete Schedule P as though the trust were a full-year Oregon resident reporting income from all sources regardless of where derived. The amounts entered are based on the federal Form 1041 as filed. The Oregon tax on line 9 is computed as if the trust were a full-year Oregon resident.

Step 3. Apportion the Oregon tax shown on Schedule P, line 9 using the percentage determined on line 10. Enter the result on Schedule P, line 11 and on Oregon Form 41, line 8.
