GENERAL INSTRUCTIONS

Filing requirements. An *Oregon Inheritance Tax Return* (form IT-1) must be filed whenever a federal estate tax return (federal Form 706) is required to be filed. Attach a copy of Form 706 to this return. Form IT-1 is for deaths that occurred prior to December 31, 2001.

For deaths that occurred on or after January 1, 2002, contact the Oregon Department of Revenue for a revised form.

For **probate** estates, the personal representative appointed or approved by the court has the duty to file the return. For **nonprobate** estates, the custodian or any person having actual or constructive possession of the property of the decedent is responsible for filing the return.

Social Security number. The request for a Social Security number is authorized by Section 405, Title 42, of the United States Code. You must give us this information. It will be used to establish the decedent's identity.

Due date. The return must be filed within nine months after the date of death.

Extensions. More than one extension is available for an Inheritance Tax return. An **extension of time to file** an Estate Tax return, **or an extension of time to pay** estate tax will be accepted for Oregon, as granted by the Internal Revenue Service. If an extension of time to pay is granted, the tax must be secured by collateral acceptable to the Oregon Department of Revenue. Interest accrues during the extension period. **Attach** a copy of **each federal extension** obtained to your Oregon return and mark the appropriate extension box on your Oregon return, Form IT-1.

An extension of time to file your return does not extend the time to pay the tax. You must get a separate, approved extension to extend the time to pay the tax.

Penalty—

Late filing. A late filing penalty of 5 percent of the tax is imposed if the return is not filed by the due date, including any extension. If the return is filed more than three months after the original or extended due date, there is an additional 20 percent penalty.

Late payment. A delinquency penalty of 5 percent of the tax is imposed if the tax is not paid within nine months from the date of death **or** by the extended payment date.

Interest is charged on tax not paid within nine months of date of death.

Gross value of property located in Oregon (proration of the federal estate tax state death tax credit). When the estate has property located in other states, complete lines 2a, 2b, and 2c. On line 2a, enter the gross value for federal estate tax purposes of property located in Oregon. Attach a copy of the federal estate tax return, Form 706, to the *Oregon Inheritance Tax Return*. Highlight the Oregon property on the attached copy of the federal estate tax return (Form 706). Property taxable for Oregon purposes depends on whether the decedent was a resident or nonresident.

Resident decedent. For a resident decedent, property taxable by Oregon includes real property and tangible personal property located in Oregon and intangible personal property wherever located.

Nonresident decedent. For a nonresident decedent, property taxable by Oregon includes real property and tangible and intangible personal property located in Oregon. An exemption is allowed for intangible personal property located in Oregon if a like exemption is allowed by the state of residence.

Amended returns. Did you amend the federal estate tax return, or was an adjustment made that results in a change in the amount of tax? If yes, it is the duty of the personal representative or other responsible person to file an amended Oregon return or notify the Oregon Department of Revenue of the change in writing within 90 days.
