## **INSTRUCTIONS**

Schedule P is for computing the Oregon tax of a **part-year** resident trust. **Do not use it for full-year Oregon trusts or full-year nonresident trusts.** Use Schedule P in combination with Form 41 to compute an allocated amount of Oregon tax to Oregon-source taxable income.

**Step 1.** Complete Oregon Form 41, lines 1–7, using **Oregon-source income** only and the deductions directly related to that income. A federal Form 1041 may be used as a worksheet to show Oregon-source amounts. Transfer the amount on Form 41, line 7, to Schedule P, line 8.

**Step 2.** Complete Schedule P as though the trust were a **full-year** Oregon resident reporting income from all sources regardless of where derived. The amounts entered are based on the federal Form 1041 as filed. The Oregon tax on line 9 is computed as if the trust were a full-year Oregon resident.

**Step 3.** Apportion the Oregon tax shown on Schedule P, line 9 using the percentage determined on line 10. Enter the result on Schedule P, line 11 and on Oregon Form 41, line 8.
