

Complete and mail in this coupon to receive four free compact fluorescent light bulbs! Please sign the coupon and complete all sections. Supplies are limited, so mail this in today to make sure you will receive your four free CFLs.

Want to save money every time you turn on a light?

A typical 15-watt CFL delivers the same level of light as your old 60-watt incandescent bulb, but uses only a fraction of the electricity – a difference that could mean significant savings on your electric bill. If you heat with oil, propane, kerosene or wood and get electricity from Portland General Electric or Pacific Power, you are eligible* for this offer and can receive four free compact fluorescent light bulbs (CFLs) from the Energy Trust of Oregon, Inc., just by completing and returning this coupon.

*If you heat with electricity supplied by PGE or Pacific Power or natural gas supplied by Northwest Natural, you are **not** eligible for this CFL offer. To find out how Energy Trust home programs can help you save energy, call 1-866-ENTRUST (368-7878) or visit www.energytrust.org.

Print Name _____	Space Heat:	<input type="checkbox"/> Oil	<input type="checkbox"/> Propane	<input type="checkbox"/> Kerosene	<input type="checkbox"/> Wood
Mailing Address (of residence where CFLs will be installed) _____	Electric Utility:	<input type="checkbox"/> PGE	<input type="checkbox"/> Pacific Power
