Fleet Terms Index

Old Terminology	New Terminology	Term of Use	Additional Information
Permanently Assigned (PA) Vehicle	Long-term Vehicle	Minimum 1 month, maximum vehicle useful life.	Comprised of one-year-old short-term vehicles and brand new special order vehicles.
Day Tripper (Tripper) Vehicle	Short-term Vehicle	30 days or less.	Comprised of new or newer model year vehicles to include sedans, passenger and cargo vans, and SUV's. Vehicles are typically transferred to long-term customers after one year of use.
Seasonal Vehicle	no change	Minimum 1 month, maximum 6 months.	Typical vehicle is fully depreciated and toward the end of it's useful life; it is utilized for special or summer projects. Due to age and mileage of vehicles, maintenance costs may be higher. Availability is limited.
