GENERAL INFORMATION

What should I know about filing this return?

First Time Filer—Send your original return and attachments to the county assessor. Include only personal property in that county. Complete a separate return for each location in each county in which you have personal property.

2007 Assessment Cancellation—If your county assessor cancelled your assessment last year, and you have not purchased or added any taxable personal property, check the box, sign and date the Taxpayer's Declaration, and submit the return to your county assessor. If you have purchased or added any taxable personal property, report it on this form and return it to your county assessor (ORS 308 250).

3 No Property to Report—If you do not have taxable personal property in the county that sent you a return, attach a full explanation. Explain the disposition of property you reported last year. Sign and date the Taxpayer's Declaration and send it to the county assessor before the filing deadline.

Logging Exemption—If you had a logging exemption in the previous year, check the box. If you are new to the county and you had an exemption in another county, check the box and indicate which county your exemption was for.

Extension—If you received an extension from the Department of Revenue, check the box and include the extension number. You must have a business in multiple counties to receive an extension from the department.

Multiple Businesses—If you have multiple businesses within the county, you must complete a return for each business. Check the box and provide the name and location of each business.

What personal property is taxable?

Taxable personal property includes machinery, equipment, and furniture used previously or presently in a business (including any property not currently being used, property placed in storage, property held for sale, expensed items, or items fully depreciated by federal standards).

What personal property is not taxable?

- Intangible personal property: Money held at interest, bonds, notes, shares of stock, business records, surveys and designs, and the materials the data is recorded on (paper, tape, film, etc.) (ORS 307.020).
- Computer software.
- Household goods, furniture, tools, and equipment **exclusively** for personal use in and around your home (ORS 307.190).
- Inventory held for resale (ORS 307.400).
- Livestock (ORS 307.394).

A Reminder . . .

What reporting date should I use for the information requested on this return?

This return must show all taxable personal property which you own, possess, or control as of 1:00 A.M., January 1 (ORS 308.250).

When should I file?

File personal property returns with your county assessor on or before March 3. In special situations, the assessor may grant an extension if you submit your reasons in writing to the assessor. Your request must be received on or before the March 3 filing date (ORS 308.290).

What if I file late?

The penalty is **5 percent** of the tax owed if the return is filed after March 3, but on or before June 2. The penalty increases to **25 percent** of the tax owed if the return is filed after June 2, but on or before August 1. After **August 1**, the penalty is **50 percent** of the tax owed (ORS 308.296).

- Licensed vehicles and equipment other than fixed load and mobile equipment. Examples of taxable fixed load and mobile equipment are shown on the back page (ORS 801.285).
- Farm machinery and equipment used primarily in the preparation of land, planting, raising, cultivating, or harvesting farm crops or feeding, breeding, management and sale of, or the produce of, livestock, poultry, fur-bearing animals, bees, dairies, agricultural or horticultural use (ORS 307.394).

What happens if I falsify the information on the return?

Any person who furnishes false information is subject to the criminal penalty provisions of ORS 305.990(4).

What happens after the return is filed with the county?

Your return will help the assessor assess your personal property. In some cases an appraiser may inspect your property. Your return will remain confidential at all times. After October 25 you will receive a tax statement showing the value of your personal property and the tax due.

When do these taxes become my responsibility?

On July 1 personal property taxes become a lien against the assessed property and any taxable personal property owned or in possession of the person in whose name the property is assessed. The taxes are a debt due and owed by the owner of the personal property [ORS 311.405(4)].

Keep a copy of the return and instructions for your records.

INSTRUCTIONS FOR COMPLETING YOUR PERSONAL PROPERTY RETURN

At your request, the assessor's office will assist you in completing your return.
