

Transition age Youth AMH Response Flow Chart

Streamline management of transition age youth referrals:

- 1) All requests for assistance with youth age 17-21 come in to Nancy Allen
- 2) Data collected regarding age, situation, diagnosis etc.
- 3) Weekly staffing of cases with representatives from Kids Team, Adult MH and ECMU
- 4) Tasks / responsibility assigned as needed
- 5) Information regarding case management approach, data, issues etc. provided to members of policy and development team.
