

Protocol for PAP Policy Issue Discussions
DRAFT for discussion

- I. Identify the issue and explain its history and importance
- II. Identify policy precedents on related or similar issues
- III. Describe the context
- IV. Describe identified policy options and explore for additional options
- V. Identify the pros and cons of each option, including potential for unintended consequences
- VI. Evaluate the relative merits of each option against PAP policy guidelines and other substantive considerations
- VII. Raise relevant points with other advisory groups (ASTAP, MAC, etc) and ask for input as time allows
- VIII. Make recommendation(s) to DHS
