

### III. ACKNOWLEDGEMENT OF CONTRIBUTORS

We'd like to thank our cooperators for their contributions to this monitoring report. Specifically, we'd like to acknowledge the Wisconsin Department of Natural Resources for numerous reports, GLIFWC, the bird breeding survey data from the Natural Resources Research Institute, Robert Howe and Lance Roberts of the Nicolet Forest Bird Survey, and Amy Wolf and numerous volunteers from UW-Green Bay.

So many CNNF employees are routinely involved in monitoring the activities of the Forest that each individual could not be listed. The primary author of the Report was the CNNF Monitoring Coordinator, Ben Frater. The following staff directly contributed many of the words, details and expertise necessary for this multi-disciplinary effort:

Phil Barker	Forester, SO
Mark Bruhy	Archeologist, SO
Daniel Ecklund	Wildlife Biologist, SO
Cheri Ford	Tribal Government Liaison, CNNF, Hiawatha, and Ottawa National Forests
Cathy Fox	Public Affairs Specialist, SO
James Grant	Fire Management Officer, SO
Dale Higgins	Hydrologist, SO
Lauren Hildebrandt	Wildlife Technician, Washburn RDO
David Hoppe	Soil Scientist, SO
Debra Kidd	Liaison Specialist, SO
Gregory Knight	Soil Scientist, SO
Teresa Maday	Supervisory Natural Resource Specialist, Washburn RDO
Linda Parker	Ecologist, SO
Scott Posner	Wildlife Biologist, Washburn RDO
Kimberly Potaracke	Archeology Technician, SO
Brian Quinn	NEPA Coordinator, SO
Susan Reinecke	Fish Biologist, SO
Walter Ruckheim	Forester, SO
Tina Smith	Resource Specialist, SO
Steven Spickerman	Plant Ecologist, Great Divide RDO
Matthew St. Pierre	Ecologist, SO
William Sullivan	Civil Engineer, SO
Mark Theisen	Forester, SO
