

## ***Important Information*** **Health care coverage information for some pregnant clients**

---

**DMAP recently sent you an announcement regarding the pilot for CAWEM prenatal benefits that began April 1, 2008 for Deschutes and Multnomah counties.**

Due to confusion about the benefits available under this program, we want to clarify that the benefits are those available to all OHP Plus clients, with a few exceptions (see below). This is a portion of the information we sent to CAWEM clients explaining what the OHP Plus benefit package covers, and the exceptions under the CAWEM prenatal program:

### **What does the OHP Plus benefit package cover?**

OHP Plus coverage includes medical, dental, mental health and chemical dependency services, such as:

- Services to keep you healthy (preventive care)
- Exams or tests (lab or x-ray) to find out what is wrong
- Treatment for most major diseases
- 24-hour emergency care, x-ray and lab services
- Chemical dependency (alcohol and drug) treatment
- Eye care, including vision testing and eyeglasses
- Some surgeries
- Labor and delivery services, including your hospital stay
- Most prescription drugs
- Specialist care and referrals
- Stop-smoking programs
- Diabetic supplies and education
- Medical equipment and supplies
- Emergency ambulance services

### **Exceptions (not covered):**

- Sterilizations
  - Therapeutic abortions
  - Hospice services
  - Death with dignity services
-
