Subject: Fee-for-Service Increase and RVU code changes

The Oregon Legislature approved the Department of Human Services biennial budget for years 07-09 that included a Cost of Living Adjustment (COLA) of 3.6%.

Effective January 1, 2008, DMAP will update the Relative Value Unit (RVU) weight assignment for CPT and HCPCS codes, using the 2007 non-facility RVU weight published in the *Federal Register Vol. 71*, dated December 1, 2006. The conversion factor reflects the 3.6% COLA. DMAP will not apply Medicare "budget neutrality" adjustment to the 2007 RVU weight assignment.

The base rates for services will be increased as follows:

- The base rate for anesthesia service will be \$24.19;
- The base rate for delivery services (59400-59622) will be \$40.20;
- CPT codes 92340-92342 and 92352-92353 will be paid at a flat rate of \$25.90;
- The base rate for all other CPT and HCPCS codes with an RVU weight assignment will be \$26.88.
