

Oregon 2005 Up-To-Date 4:3:1:3:3:1 Immunization Rates for Two-Year Olds

Source: Oregon Immunization Program, DHS

Note that Up-To-Date here refers to the recommended series of 4 DTaP, 3 Polio, 1 Measles/Mumps/Rubella, 3 Hib, 3 Hepatitis B, & 1 Varicella Vaccines

* Indicates those counties with confidence intervals exceeding 10% due to their small populations. Generally the larger the population, the smaller the confidence interval and the more precise the estimate.
