Interested Party:

This letter is to update you on the status of the 2007 Plantation Thinning Project on the Clackamas River Ranger District. The proposal involves thinning timber harvest. The legal notice for the 30-day comment period on the proposed action was published in the Oregonian on December 18, 2006. I have considered the comments received and an Environmental Assessment and a Decision Notice have been prepared. I have decided to implement portions of Alternative B and Alternative C. Based on comments received, I have decided to construct some, but not all of the new temporary roads listed under Alternative B (0.4 mile would be constructed). I have also decided to close and decommission some, but not all of the roads listed under Alternative C (61 miles would be closed or decommissioned). I have also decided to implement the 50-foot wide protection buffers included with Alternative C for intermittent streams. Since both alternatives include the same acres of plantation thinning, I have decided to include them all (4,374 acres). The Environmental Assessment and Decision Notice can be downloaded from the Forest web site at <http://www.fs.fed.us/r6/mthood/> in the Projects & Plans section. The Responsible Official is Gary L. Larsen, Forest Supervisor.

This decision is subject to appeal pursuant to Forest Service regulations at 36 CFR 215. Any individual or organization that submitted comments during the comment period may appeal. Any appeal of this decision must be in writing and fully consistent with the content requirements described in 36 CFR 215.14. The Appeal Deciding Officer is Linda Goodman, Regional Forester. An appeal should be addressed to the Regional Forester at any of the following addresses. Postal: ATTN.: 1570 APPEALS, P.O. Box 3623, Portland, OR 97208-3623; Street location for hand delivery: 333 SW 1st Ave, Portland, OR (office hours: 8-4:30 M-F); fax: 503-808-2255. Appeals can also be filed electronically at: appeals-pacificnorthwest-regional-office@fs.fed.us. Electronic appeals must be submitted as part of the actual e-mail message, or as an attachment in Microsoft Word (.doc), rich text format (.rtf), or portable document format (.pdf) only. E-mails submitted to email addresses other than the one listed above, or in formats other than those listed, or containing viruses, will be rejected. It is the responsibility of the appellant to confirm receipt of appeals submitted by electronic mail. The Appeal, including attachments, must be postmarked or received by the Appeal Deciding Officer within 45 days of the date legal notice of this decision was published in the Oregonian. The Appeal is due by April 26, 2007.

For further information regarding appeal procedures, contact the Forest Environmental Coordinator Mike Redmond at 503-668-1700.

Sincerely,

/s/ Gary L Larsen
