

SECTION 8
AGENCY SUMMARY
and
DETAIL TABLES

This section provides a detailed report by crime category of the annual crime report information for each department within each county in Oregon, including Traffic Crime, Fish & Game Laws, and Marine Violations.

SPECIAL NOTES:

When counting arrests, only those arrests which are made for an agency's own cases are counted for OUCR purposes. The number of arrests shown in this report will not necessarily agree with the statistics within a department which may show all arrest activity.

Index Crime is summarized at the bottom of the page. The individual crimes that make up the National Crime Index are each identified with an asterisk.

If necessary, Part II Crime totals may be easily determined by subtracting the Index Crime Total from the Grand Total located on the line above. The result of this subtraction equals total Part II Crimes.
