## OREGON BIAS CRIME STATISTICS SUMMARY January through December 2001

The 1989 Oregon Legislature passed Senate Bill 606, amending ORS 181.550, requiring law enforcement agencies to report crimes motivated by prejudice to the State Executive Department, Law Enforcement Data System (LEDS). Law Enforcement agencies report these Bias Crime incidents by sending a copy of the police report to LEDS. The 1995 legislature passed Senate Bill 1044 which moved the Law Enforcement Data System from the Executive Department to the Department of Oregon State Police. This transfer included the Uniform Crime Reporting and Bias Crime Reporting Programs.

The number of bias crimes reported for 2001 increased $69.3 \%$ from the number reported for 2000. Two factors appear to have contributed to this increase. The first is a more comprehensive bias crime reporting protocol developed by Portland PD. The second is a large number of anti-Arab / anti-Muslim offenses occurring after September 11 ${ }^{\text {th }}, 2001$.
