

**SECTION 8**  
**AGENCY SUMMARY**  
**and**  
**DETAIL TABLES**

This section provides a detailed report by crime category of the annual crime report information for each department within each county in Oregon, including Traffic Crime, Fish & Game Laws, and Marine Violations.

**SPECIAL NOTES:**

When counting arrests, only those arrests which are made for an agency's own cases are counted for OUCR purposes. The number of arrests shown in this report will not necessarily agree with the statistics within a department which may show all arrest activity.

Index Crime is summarized at the bottom of the page. The individual crimes that make up the National Crime Index are each identified with an asterisk.

If necessary, Part II Crime totals may be easily determined by subtracting the Index Crime Total from the Grand Total located on the line above. The result of this subtraction equals total Part II Crimes.

**Due to statewide economic problems in 2002 and 2003, several law enforcement agencies were unable to provide data for the entire year in 2003. In some cases data had to be estimated in order to provide a full year's report. In a few rare cases, some agencies were unable to provide any data at all for 2003. For those few agencies, 2002 data was repeated for 2003. While this is not ideal, it is still better than creating a false decrease in crime by showing these agencies had no offenses or arrests at all during 2003. Unless otherwise noted, the figures for each agency in this report should be considered to be for 12 full months in 2003.**
