

SECTION 8
AGENCY SUMMARY
and
DETAIL TABLES

This section provides a detailed report by crime category of the annual crime report information for each department within each county in Oregon, including Traffic Crime, Fish & Game Laws, and Marine Violations.

SPECIAL NOTES:

When counting arrests, only those arrests which are made for an agency's own cases are counted for purposes of this report. In cases of multiple charges being brought against an individual in a given incident, only the most serious charge is counted. The number of arrests shown in this report will not necessarily agree with the statistics obtained directly from a department that may opt to count all charges in every incident.

Index Crime is summarized at the bottom of the page. The individual crimes that make up the National Crime Index are each identified with an asterisk.

If necessary, Part II Crime totals may be easily determined by subtracting the Index Crime Total from the Grand Total located on the line above. The result equals total Part II Crimes.
