(2) Guideline for Visitation and Activities at the World War II Memorial

(i). National Commemorative Ceremonies

Memorial Day, Veteran's Day, V-E Day, V-J Day and Pearl Harbor are significant dates of commemoration and remembrance for those who lived through World War II as well as for future generations. These dates are designated as national celebration events at the World War II Memorial; the National Park Service will manage all commemorative ceremonies on these dates.

Traditional observance ceremonies by visitors may occur at the base of the Atlantic Memorial Arch, the Pacific Memorial Arch, and at the 56 pillars, so long as there is no obstruction to the Memorial's walkways and entrances. To avoid obstruction during an actual wreath laying, only a small number of participants (4-5) are permitted to place the wreath at any of the above mentioned locations. Please check in with the Lead Park Ranger on duty for assistance. NOTE: Wreaths will not be permitted to be placed in front of the Freedom Wall, which encompasses the Field of Gold Stars.

(ii). Small-Scale No-Permit Demonstrations

Demonstrations (that consist of fewer than 25 persons), may occur on the East Side of the Ceremonial Entrance Plaza, with or without a permit, if the activity is otherwise in compliance with NPS regulations and this Guideline. Wreath-laying may occur under Section II A. Any wreath-laying ceremony, including any honor guard or cordons, must occur and remain within the east side of the Memorial Plaza. The Lead Park Ranger on duty is the point of contact.

Consistent with NPS regulations and this Guideline, all other events involving fewer than 25 persons may only occur on the eastern end of the Ceremonial Entrance Plaza and have only minimal set-up that does not negatively impact on the Memorial, its use or visitor experience. Structures in the form of platforms/stages, sound towers, jumbotrons, tents, canopies, generators, jib arms, dolly tracks, and camera cranes are not permitted. Any sound amplification must be directed away from the Memorial and all sound amplification equipment shall be limited so that it will not unreasonably disturb nonparticipating persons in, or in the vicinity of, the area.

(iii). Musical Performances

Musical performances are considered special events and may only occur by permit and only on the East Side of the Ceremonial Entrance Plaza between 10:00 am to 12:00 pm and 5:00 pm to 7:00 pm. A permitted performance will be allowed to set up only on the Ceremonial Entrance Plaza facing toward the plaza's three large grass panels. If a permit is issued, the Lead Park Ranger on duty is the point of contact.

Consistent with NPS regulations and this Guideline, only minimal set-up that does not negatively impact on the Memorial and its visitation is allowed. Structures and equipment in the form of platforms/stages, sound towers, jumbotrons, tents, canopies, tables, jib arms, camera cranes, dolly tracks, and generators are not permitted. Any sound amplification must be directed away from the Memorial and all sound amplification equipment shall be limited so that it will not unreasonably disturb nonparticipating persons in, or in the vicinity of, the area.

The unloading and loading of logistical equipment for the Ceremonial Entrance Plaza will be allowed from the south Elm Walk prior to public visitation hours (9:30 A.M.).

(iv). Media and Commercial Filming/Photography

Scott Fear will provide contact information to the Acting Site Manager of National Capital Parks-Central, Mall Operations. Upon receipt of a faxed media request that includes billing information and federal tax identification number, the Acting Site Manager will assign a Park Ranger escort. The Acting Site Manager will bill associated unbudgeted park costs to media outlets as necessary.

Memorial parking is limited. Parking arrangements must be made through the NCR Communications Office. No crew car parking is allowed. Parking accommodation for up to three microwave media trucks on the asphalt portion of the South Elm Walk for stand-ups within the World War II Memorial is available during operational hours. For large scale events the park reserves the right to require media outlets to make pooling arrangements at least two weeks prior to the scheduled event. To park along the South Elm Walk, accessed from 17th Street media trucks must have a Park Ranger escort. Media parking requests during non-operational hours (between midnight and 8:00 am) must be made in two weeks prior to the covered event. The requesting media outlet will be billed for overtime costs for the park support. If the media truck leaves the area prior to 8:00 am, arrangements must be made with the NCR Office of Communications to park the media on Home Front Drive.

A permit will be required for any news events that require any set-up as well as all commercial filming/photography requests.
