Data Sources: Bureau of Economic Analysis (BEA), Gross State Product (June 2001), State Personal Income (September of 2001) and several unpublished estimates from each series; Internal Revenue Service, Statistics of Income Bulletin, Spring 1999-2001.

*BEA did not release population estimates in September 2001, so last year's estimates were used to generate the per capita & per capita indices estimates.

For details about the methodology for estimating TTR, please visit the TTR web site at www.treas.gov/offices/economic-policy/resources/index.html. Please direct questions or comments regarding TTR to the Treasury Department at (202) 622-2200.

Office of Economic Policy, U.S. Department of Treasury.
