OLCC issues proposed license cancellation for Center Market #10

Bay City, Ore. – The Oregon Liquor Control Commission proposes to cancel the liquor license of Center Market #10 at 9320 5th St. in Bay City. The license is held by Harpal Kaur of Ashly, Inc.

The proposed cancellation came as the result of Ashly, Inc. allowing an individual, Harjit Singh to obtain a financial interest in the business without prior OLCC approval. Harjit Singh directly accepted profits from the licensed business.

“This rule prevents unlicensable individuals and businesses from operating or receiving profits from someone else’s license,” said Linda Ignowski, OLCC Director of Regulatory Services.

Allowing an entity to claim a licensable or financial interest in a licensed business without OLCC approval is a violation of Oregon Administrative Rule 845-006-0475(2)(a).

Promoting the public interest through responsible alcohol sales and service
