

# Arkansas Nuclear 1 2Q/2007 Performance Summary

### Performance Indicators

|   |                                       |                                     |                                   |   |                                     |
|---|---------------------------------------|-------------------------------------|-----------------------------------|---|-------------------------------------|
| Unplanned Scrams (G)                        | Safety System Functional Failures (G) | Reactor Coolant System Activity (G) | Drill/Exercise Performance (G)    | Occupational Exposure Control Effectiveness (G) | RETS/ODCM Radiological Effluent (G) |
| Scrams With Loss of Normal Heat Removal (G) | Emergency AC Power System (G)         | Reactor Coolant System Leakage (G)  | ERD Drill Participation (G)       |   |                                     |
| Unplanned Power Changes (G)                 | High Pressure Injection System (G)    |                                     | Alert and Notification System (G) |   |                                     |
|   | Heat Removal System (G)               |                                     |                                   |   |                                     |
|   | Residual Heat Removal System (G)      |                                     |                                   |   |                                     |
|   | Cooling Water Systems (G)             |                                     |                                   |   |                                     |
