Best Practices for Worker Training Workshop

Hank Payne, Director
Office of Training and Education

April 17, 2001

Speed Bumps ...

Potholes ... &

Gridlock

or Why Web-Based Training is
Such a Challenge to Most of Us

Speed Bumps, Potholes, & Gridlock

- People
- Organizational Culture

Speed Bumps

- Didactic (Classroom) Model Does Not Work on the Web
- User Acceptance
- User Accessibility

Potholes

- Money
- Standardization
- Quality Assurance
- Instructor Workload

Gridlock

- Competition
- Intellectual Property Rights
- Cyber-Security (Cheating & Hacking)
- Accreditation Risks

At This Workshop, Ask ...

- What
- Why
- How
- What Would They Do Differently Knowing What They Know Today
