General System: Terms and Explanations

Report run on: Date report is generated.

<u>Services Completed</u>: Date services were completed. The report data is based on the population selected by outcome or services-completed date. Services may have started prior to this date.

<u>Participating Agencies</u>: State-level entities that are partners in the state's one-stop system and contributors of funding and data to PRISM.

<u>Confidentiality</u>: Only individuals who have signed the confidentiality statement are included in the PRISM reports.

Footnotes:

- * Suppressed Data cells with two or fewer records, in either or both of the Total Exited and Total Employed columns, are not published due to confidentiality restrictions. These data are added to the "Unknown/Suppressed Data" category.
- ** Report reflects all data submitted for time period shown.

Placement Indicator: Terms and Explanations

Summary statistics compiled from the unemployment insurance (UI) wage files and PRISM database on initial employment after completing services. Only participants with employment as a goal are included in this report.

<u>Total Exited</u>: The total number of participants who received services and exited the program.

<u>Total Employed</u>: The total number of participants with hours of work reported in the UI wage records.

<u>Placement Rate</u>: The percent of participants who were employed after completing services.

<u>Calculation Placement Rate</u>: The total number of participants who were employed during the quarter of exit or first quarter after exit divided by the total number of participants who exited during the reporting period.
