General System: Terms and Explanations

Report run on: Date report is generated.

Services Completed: Date services were completed. The report data is based on the population selected by outcome or services-completed date. Services may have started prior to this date.

Participating Agencies: State-level entities that are partners in the state's one-stop system and contributors of funding and data to PRISM.

Confidentiality: Only individuals who have signed the confidentiality statement are included in the PRISM reports.

Footnotes:

* Suppressed Data - cells with two or fewer records, in either or both of the Total Exited & Placed and Total Retained columns, are not published due to confidentiality restrictions. These data are added to the "Unknown/Suppressed Data" category.

** Report reflects all data submitted for time period shown.

Retention Indicator: Terms and Explanations

*Summary statistics compiled from the unemployment insurance (UI) wage files and PRISM database on continuous employment approximately one year after completing services. **Participants are not required to have a goal of employment to be included in this report.***

Total Exited & Placed: The total number of participants who received services and exited the program and who went to work in the quarter of exit or the first quarter after exit.

Total Retained: The total number of participants with four continuous quarters of hours of work reported in the UI wage records.

Retention Rate: The percent of participants who have been employed in four continuous quarters after the quarter of exit.

Calculation Retention Rate: Total Retained divided by Total Exited & Placed.
