RE: Short Sales Rules; Regulation SHO; File No. S7-23-03
Citigroup Global Markets Conference Call Meeting

On June 9, 2004, members from the Division of Market Regulation and Office of Economic Analysis engaged in a conference call meeting with Patricia Brigantic, John Malitzis, and Jim Martin, all with Citigroup Global Markets, to discuss costs associated with the proposed short sales rules. In brief, the call focused on the impact of costs associated with any additional programming and system changes necessary to comply with Regulation SHO.
