

*Social Security and Medicare Taxes
Are Not Being Properly Assessed on Some
Tips and Certain Types of Wage Income*

March 30, 2007

Reference Number: 2007-30-062

The Treasury Inspector General for Tax Administration (TIGTA) has designated this audit report as Limited Official Use pursuant to Chapter III, Section 2 of the Treasury Security Manual (TD P 71-10) entitled, "Limited Official Use Information and Other Legends." Because this document has been designated Limited Office Use, it may be made available only to those officials that have a need to know the information contained within this report in the performance of their official duties. This report must be safeguarded and protected from unauthorized disclosure; therefore, all requests for disclosure of this report must be referred to the Disclosure Section within the Treasury Inspector General for Tax Administration Office of Chief Counsel.
