

NATIONAL POISON PREVENTION WEEK

March 19-25, 2006

LIST OF MATERIALS—2006

BROCHURES, FLYERS, AND PAMPHLETS

1. Tips on Child Safety

(Contains facts on proper use and life-saving effectiveness of safety caps, advice on how to instill safety consciousness in preschoolers, and general home safety tips.)

Produced by Closure Manufacturers Association. Send stamped, self-addressed, business-size envelope to Safety Tips, CMA, PO Box 1358, Kilmarnock, VA 22482 cmadc@rivnet.net

2. Clean and Safe in the 21st Century

(A guide that includes information on household cleaning product labels, safety and storage; hard surface cleaning; poison prevention and more. Appropriate for childcare and healthcare professional, educators, and parents.)

Up to 50 copies free. Send order to order@cleaning101.com. The Soap and Detergent Association, 1500 K St NW, Suite 300, Washington, DC 20005 www.cleaning101.com

3. Over-the-Counter Medicines: What's Right For You?

(Offers consumers tips in both English and Spanish on reading the nonprescription, over-the-counter (OTC) medicine label; avoiding drug interactions; using OTCs when pregnant or nursing; dosing children; child-resistant and tamper-resistant packaging; and more.)

Up to 100 copies free from the Consumer Healthcare Products Association. Orders can be placed online at www.chpa-info.org/pubs.aspx.

4. Protect Your Family From Lead In Your Home

(A booklet about the dangers of lead-based paint, how you can test the paint in your home for lead, and ways to reduce your exposure. Prepared by the U.S. Consumer Product Safety Commission and the Environmental Protection Agency.)

Single copy free. Consumer Product Safety Commission, Washington, DC 20207. www.cpsc.gov/cpsc/pub/pubs/426.html or Publications@cpsc.gov

5. What You Need to Know About the Safety of Art & Craft Materials

(A 12-page booklet that answers commonly-asked questions about the safe use of materials.)

Single copies free: quantities upon request. The Art and Creative Materials Institute, Inc., PO Box 479, Hanson, MA 02341; phone: 781-293-4100; FAX: 781-294-0808. www.acminet.org

6. Lead Screening for Children

(This educational brochure gives parents vital guidelines on how to identify and eliminate the dangerous sources of lead poisoning in the home. Also provides clear information on how to recognize the symptoms of lead poisoning in children.)

Sold in packs of 50. Price: \$20; member price: \$18; add \$5.95 for US Shipping & Handling. Phone orders: 888-227-1770; FAX orders: 847-228-1281; Internet: www.aap.org/bookstore Mail orders: American Academy of Pediatrics, 37925 Eagle Way, Chicago, IL 60678-1379

7. Protect Your Child From Poison

(A concise yet complete guide to preventing and treating childhood poisoning. Includes symptoms and treatment guide for swallowed, skin, eye, and fume poisons; room-by-room tips for poison-proofing the home; important information about syrup of ipecac; and poison center contact information.)

Sold in packs of 50. Price: \$20; member price: \$18; add \$5.95 for US Shipping & Handling. Phone orders: 888-227-1770; FAX orders: 847-228-1281; Internet: www.aap.org/bookstore Mail orders: American Academy of Pediatrics, 37925 Eagle Way, Chicago, IL 60678-1379

PLEASE INCLUDE YOUR ZIP CODE WHEN ORDERING MATERIALS

8. Your Child and the Environment

(Helpful steps to protect your child from potential environmental danger, includes information on carbon monoxide, radon, household products, pesticides, and art supplies.)

Sold in packs of 50. Price: \$20; member price: \$18; add \$5.95 for US Shipping & Handling. Phone orders: 888-227-1770; FAX orders: 847-228-1281; Internet: www.aap.org/bookstore Mail orders: American Academy of Pediatrics, 37925 Eagle Way, Chicago, IL 60678-1379

9. A Guide to Children's Medications

(Helps eliminate confusion about the differences between common prescriptions and over-the-counter medications. Includes information on taking medications correctly and safely.)

Sold in packs of 50. Price: \$20; member price: \$18; add \$5.95 for US Shipping & Handling. Phone orders: 888-227-1770; FAX orders: 847-228-1281; Internet: www.aap.org/bookstore Mail orders: American Academy of Pediatrics, 37925 Eagle Way, Chicago, IL 60678-1379

10. TIPP® - The Injury Prevention Program

TIPP SAFETY SURVEYS: Age-specific surveys; Birth to 12 years (Spanish also available). The 1-minute test that helps protect children. 8 1/2" x 11" sheets

(This is the Spanish version of the pamphlet mentioned above.)

Single copies free. Secretary, Poison Prevention Week Council, P.O. Box 1543, Washington, DC 20013. Kdulic@cpsc.gov

25. Cooperative Extension System Resources

(Selection of programs/publications varies from state to state.)

Educational programs and materials are available from the Cooperative Extension Service in each state. Information on parent education, child care provider training, food safety, farm and pesticide safety, and health/wellness issues can meet your needs for poison prevention education. Information in the form of publications, courses/workshops, and speakers/consultation are usually available. County Cooperative Extension Service offices are listed under county government in the telephone directory. Cooperative Extension resources are made avail-

FILMS, SLIDES, TALKS, AND MEDIA AIDS

18. The Travels of Timothy Trent

Order no.: AVA03690VNB1, \$50.00, 10 min., 1976. U.S. Consumer Product Safety Commission.

(Explains that safety packaging is a valuable tool that offers an additional margin of safety from accidental poisoning of children. Demonstrates this point through the character of Timothy Trent, a young fellow who can't resist putting everything he can reach in his mouth.)

National Technical Information Service, National Audiovisual Center, 5285 Port Royal Road, Springfield, VA 22161. Call 800-553-6847. www.ntis.gov

19. Poison Prevention Community Action Kit

(This kit includes fact sheets, outreach materials and opportunities, PowerPoint presentations, Web pages, children's activities, and information on presenting your activities to the media. The information is available both in hard copy and on a CD-ROM designed so you can customize the information by placing your own contact information on it.)

Single copies free from the National Safety Council, 1025 Connecticut Avenue, NW, #1200, Washington, DC 20036, goodingg@nsc.org.

able by a partnership between USDA, State Land-Grant Universities, and county government.

For more information on the Cooperative Extension System Resources visit the Web site at www.reeus-da.gov or www.nnh.org.

26. Prescription Medicine Information and Education Resources

These items from the National Council on Patient Information and Education (NCPPIE) are designed to help consumers and their health care providers better communicate about prescription medicines.

- "Talk About Prescriptions" Month Planning Kit for Health Care Professional and Communicators. This 2-pocket folder provides all the resources you need to get started. Learn how to work with local media, organize a "Medicine Checkup" event in your area, and get other ideas for educating the public. Includes fact sheets, the latest statistics detailing "Prescription Medicine Misuse," and a poster. \$15.00 each

- "The National Medication Checkup Kit for Health Care Professionals"-Redesigned to support outreach activities. Contains an advertising packet, posters, an evaluation form, and 25 consumer brochures explaining the value of having a medication checkup. Developed by NCPPIE in cooperation with Glaxo Wellcome Inc. \$20.00 per kit.

- "Prescription Medicines and You: A Consumer Guide" (brochure)-A 16-page, large-type booklet developed jointly by NCPPIE and the U.S. Agency for Health Care Policy and Research. It offers three steps to better medicine use. Each step includes questions to ask health professionals, and tips for getting help. Includes forms to help keep track of medicines, and questions to ask with each new prescription medicine. Available in six languages: English, Spanish, Chinese, Korean, Vietnamese, and Cambodian. \$25.00 per pack of 100.

- "Medicine: Before You Take It, Talk About It" (brochure)-\$20.00 per pack of 100 copies

- "Get the Answers" Personal Medical Information Wallet Card-Available in English or Spanish. \$15.00 per pack of 100 cards

- "Alcohol and Medicine: Ask Before you Mix" (brochure) -- \$20.00 per pack of 100 copies

- "Buying Prescription Medicines Online: A Consumer Safety Guide" (brochure) -- \$18.50 per pack of 100 copies

Call NCPPIE at (301) 656-8565 or send e-mail to ncpie@erols.com for more information. To order publications, go to www.talkaboutrx.org for an order form. Please visit www.BeMedwise.org for information on safe over-the-counter medicine use.

27. Safe Kids Worldwide Resources

Safe Kids Worldwide has developed several poison prevention resources including a poison injury fact sheet, an informational brochure for adults. And has

new materials for 2005-2006. For copies, please write to Safe Kids Worldwide, 1301 Pennsylvania Ave., N.W., Suite 1000, Washington, D.C. 20004, or call 202-662-0600. Or e-mail at info@safekids.org

28. Mr. Yuk Stickers and Related Materials

(Each sheet of generic Mr. Yuk stickers contains 10 individual stickers and has the words "Poison Help" and 1-800-222-1222. To obtain a FREE sheet of Mr. Yuk stickers view the Pittsburgh Poison Center website at: www.mryuk1.com. Mr. Yuk stickers may be customized in orders of 5,000 sheets or more.)

To view and order all poison prevention education materials from the Pittsburgh Poison Center, visit the website at www.mryuk1.com

29. Pet Poison Safety Tips

(Offers pet owners tips on how to keep their homes poison safe. Also includes ASPCA Animal Poison Control Center hotline information.)

Send requests to: ASPCA Animal Poison Control Center, 1717 South Philo Road, Suite 36, Urbana, IL 61802. Call toll-free 888-426-4435. www.asPCA.org/apcc

30. Phone Stickers, Magnets, and Brochures

Your regional poison control center will send you phone stickers, magnets, and brochures with the poison center emergency phone number. Download materials at www.aapcc.org or www.1-800-222-1222.info

Note: All prices in this list are subject to change after this document is printed.

NOTICE: The Poison Prevention Week Council is not responsible for the technical accuracy of materials on this "List of Materials." Questions about individual items should be directed to the author or sponsoring organizations.
