ABSTRACT.....	ii
TABLE OF CONTENTS.....	iii
LIST OF FIGURES.....	vi
LIST OF TABLES.....	viii
CHAPTER 1.....	1
PURPOSE OF AND NEED FOR ACTION.....	1
1.1 Introduction	1
1.2 Purpose of Action	1
1.3 Need for Action	1
1.4 Background.....	2
1.4.1 Background Relevant to Need for Proposed Action	2
1.4.2 U.S. Fish and Wildlife Service	3
1.4.3 Canadian Wildlife Service	3
1.4.4 Other Environmental Assessments and Rulemakings.....	3
1.5 Scoping and Public Involvement	4
1.5.1 Summary of Scoping Efforts	4
1.5.2 Issues and Concerns Identified During Scoping	5
1.6 Policy, Authority, and Legal Compliance.....	5
CHAPTER 2.....	7
ALTERNATIVES	7
2.1 Introduction	7
2.2 Rationale For Alternative Designs.....	7
2.3 Description of Alternatives.....	7
2.3.1 Alternative A. No Action. Continue to manage light goose populations through existing wildlife management policies and practices.....	7
2.3.2 Alternative B. (PREFERRED) Modify harvest regulation options and refuge management.	8
2.3.3 Alternative C. Implement direct light goose population control on wintering and migration areas in the U.S.	9
2.3.4 Alternative D. Seek direct light goose population control on breeding grounds in Canada.	11
2.3.5 Light Goose Population Monitoring	12
2.3.6 Current Light Goose Regulations	12
2.4 Alternatives Considered But Eliminated From Detailed Study	13
2.4.1 Establish a depredation order.....	13
2.4.2 Egg removal.....	13
2.4.3 Permit the use of lead shot to take light geese	14
2.4.4 Permit the use of rifles and/or pistols	15
2.4.5 Remove the Federal migratory bird hunting stamp requirement during normal season frameworks	15
2.4.6 Permit the use of reciprocal State hunting licenses.....	15
2.4.7 Permit the use of live decoys to hunt light geese	15
2.4.8 Permit the use of baiting to hunt light geese	16
2.4.9 Apply dove baiting regulations to regulations for hunting light geese	16
2.4.10 Allow rallying or herding of light geese with the aid of a motorized vehicle or device	17
2.4.11 Provide supplemental food to light geese on breeding areas	17
2.4.12 Alter U.S. farm policies to promote reduction of foods available to light geese on wintering and migration areas.....	17
2.4.13 Control light goose populations through use of reproductive inhibitors.....	18
2.4.14 Allow commercial harvesting of light geese.....	18
2.4.15 Allow predators to control light goose populations	19
2.5 Comparison of Analyzed Alternatives.....	19
CHAPTER 3.....	21
AFFECTED ENVIRONMENT.....	21
3.1 LIGHT GEESE.....	21

Table of Contents

3.1.1	Definition.....	21
3.1.2	Geographic Distribution of Species.....	21
3.1.3	Population Delineation.....	23
3.1.4	Population Surveys.....	26
3.1.5	Population Status - Historical Accounts.....	27
3.1.6	Population Status - Spring/Breeding Colony Survey Estimates.....	29
3.1.7	Population Status - Winter Survey Indices.....	33
3.1.8	Population Status - Summary.....	37
3.1.9	Migration and Wintering Ecology.....	39
3.1.10	Harvest Estimates.....	42
3.2	Habitat.....	47
3.2.1	Breeding habitat conditions and degradation.....	47
3.2.2	Migration and wintering habitat conditions and degradation.....	54
3.3	Other Bird Species.....	57
3.3.1	Waterfowl.....	57
3.3.2	Other bird species.....	59
3.3.3	Special Status Species.....	60
3.4	Avian Cholera.....	62
3.5	Socioeconomic Considerations.....	65
3.5.1	Economic impact of light goose hunting in the U.S.....	65
3.5.2	Economic impact of non-consumptive uses of light geese.....	66
3.5.3	Subsistence uses of light geese.....	66
3.6	National Wildlife Refuge System.....	67
3.7	Historical and Cultural Resources.....	72
CHAPTER 4.....		73
ENVIRONMENTAL CONSEQUENCES.....		73
4.1	Introduction.....	73
4.2	Impacts on Light Geese.....	73
4.2.1	Alternative A. No Action.....	73
4.2.2	Alternative B. (PREFERRED ACTION) Modify harvest regulation options and refuge management.....	76
4.2.3	Alternative C. Implement direct light goose population control on wintering and migration areas in the U.S.....	83
4.2.4	Alternative D. Seek direct light goose population control on breeding grounds in Canada.....	87
4.3	Impacts on Habitat.....	89
4.3.1	Alternative A. No Action.....	89
4.3.2	Alternative B. (PREFERRED ACTION) Modify harvest regulation options and refuge management.....	92
4.3.3	Alternative C. Implement direct light goose population control on wintering and migration areas in the U.S.....	93
4.3.4	Alternative D. Seek direct light goose population control on breeding grounds in Canada.....	94
4.4	Impacts on Other Species.....	94
4.4.1	Alternative A. No Action.....	94
4.4.2	Alternative B. (PREFERRED ACTION) Modify harvest regulation options and refuge management.....	95
4.4.3	Alternative C. Implement direct light goose population control on wintering and migration areas in the U.S.....	95
4.4.4	Alternative D. Seek direct light goose population control on breeding grounds in Canada.....	96
4.5	Impacts on Special Status Species.....	96
4.5.1	Alternative A. No Action.....	96
4.5.2	Alternative B. (PREFERRED ACTION) Modify harvest regulation options and refuge management.....	96
4.5.3	Alternative C. Implement direct light goose population control on wintering and migration areas in the U.S.....	97
4.5.4	Alternative D. Seek direct light goose population control on breeding grounds in Canada.....	97

Table of Contents

4.6	Socioeconomic Impacts	98
4.6.1	Alternative A. No Action.....	98
4.6.2	Alternative B. (PREFERRED ACTION) Modify harvest regulation options and refuge management.....	101
4.6.3	Alternative C. Implement direct light goose population control on wintering and migration areas in the U.S.....	103
4.6.4	Alternative D. Seek direct light goose population control on breeding grounds in Canada.	104
4.7	Waste and Disposal of Geese.....	106
4.7.1	Alternative A. No Action.....	106
4.7.2	Alternative B. (PREFERRED ACTION) Modify harvest regulation options and refuge management.....	106
4.7.3	Alternative C. Implement direct light goose population control on wintering and migration areas in the U.S.....	107
4.7.4	Alternative D. Seek direct light goose population control on breeding grounds in Canada.	107
4.8	Cumulative Impacts	108
4.8.1	Alternative A. No Action.....	108
4.8.2	Alternative B. (PREFERRED ACTION) Modify harvest regulation options and refuge management.....	108
4.8.3	Alternative C. Implement direct light goose population control on wintering and migration areas in the U.S.....	109
4.8.4	Alternative D. Seek direct light goose population control on breeding grounds in Canada.	109
4.9	Impacts on Historical and Cultural Resources	109
4.10	Environmental Justice.....	110
	Summary of Environmental Consequences.....	111
CHAPTER 5.....		114
LITERATURE CITED.....		114
CHAPTER 6.....		121
List of Preparers.....		121
Acknowledgements		121
CHAPTER 7.....		122
List of Agencies, Organizations, and Individuals to Whom Copies of this DEIS or Notice of Availability are Sent		122
Appendix 1	Notice of Intent.....	A1
Appendix 2	Notice of Meetings.....	A2
Appendix 3	Conservation Order for Light Geese.....	A3
Appendix 4	Special Light Goose Permit.....	A4
Appendix 5	Regional Listing of Special Status Species That Overlap in Geographic Range With Various Populations of Light Geese in Service Regions 1-7.....	A5
