☞ An entry clearance can be a Visa or an Entry Certificate.
 ☞ Even if you hold a valid entry clearance you can still be refused entry into the United Kingdom by an Immigration Officer if he is satisfied that:
 (a) your entry clearance was obtained by false representations or by concealment of relevant facts, whether or not you knew of these actions; or
 (b) a change in circumstances between the date of your application and your arrival in the UK invalidates your entry clearance; or a refusal is justified on the grounds of restricted returnability, medical grounds, criminal record, because you are subject to a deportation order, or your exclusion would be conducive to the public good.
 ☞ An Immigration Officer can ask anyone to be medically examined on arrival in the UK, if he considers it necessary. You may be required to have a medical examination before your entry clearance is issued.

Drugs Warning: the UK has severe penalties against drug smuggling. Drug traffickers may try to bribe travellers. If you are travelling to the UK avoid any involvement with drugs.
