

I am writing to you on behalf of the Cherry Creek Vista Homeowners Association of which I have been elected President.

Our Association represents 348 homes (families) and is located north of the Centennial Airport - our community has been greatly affected by excessive noise due to air traffic. We would like to be on record in supporting the 12 basic recommendations to reduce that noise...in particular the third and fourth ones concerning the departure headings.

Sincerely,  
Barbara Ariss  
President/Cherry Creek Vista Homeowners Association
