

I'm writing you as a homeowner in Greenwood Village in support of all 12 recommendations for noise abatement at Centennial Airport. Please support passing all 12 recommendations in the Part 150 study. I have been a residence of Colorado for 25 years, and have lived in Greenwood Village for the past 9 years. I'd like to make sure support passing all 12 recommendations, and do everything possible to keep the aircraft noise from Centennial Airport from adversely affecting our community.

Best Regards,
