Site Development Study for New Facilities Available for Public Review

Tallgrass Prairie National Preserve Superintendent Steve Miller announced today that the Environmental Assessment, General Management Plan Revision/Site Development Study for New Visitor Center, Administrative, and Maintenance Facilities will be available for 30- day public review beginning Friday, February 8, 2008.

The site development study discusses the proposed revision to the preserve's general management plan and examines two alternatives for the construction of new facilities.

The public is invited to attend an open house- style meeting to ask questions or comment on the preferred alternative. The open house will be held on February 20, 2008 from 5 p.m. to 7:30 p.m. at the Chase County Community Building located in Swope Park, Cottonwood Falls, Kansas.

Copies of the document may be obtained by visiting the preserve's website at www.nps.gov/tapr or by calling the preserve's administrative office at 620- 273- 6034. Written comments regarding the document may be mailed to P.O. Box 585, 226 Broadway, Cottonwood Falls, KS 66845 or emailed to tapr_superintendent@nps.gov and will be accepted until March 10, 2008.
