Success
lasts a lifetime

A young woman with dark hair, wearing a light blue button-down shirt, is smiling as she uses a computer mouse. She is sitting at a desk with a computer monitor and keyboard. The background is a blurred classroom with other students and desks.

Where
do you
want to
go?

Job Corps
can help.

<http://jobcorps.doleta.gov>

Look closely, everyone pictured here is an actual Job Corps student.

A young man with dark hair, smiling broadly, wearing a green graduation cap and gown. He is positioned on the right side of the frame, with his right hand resting on his shoulder. The background is a blurred, warm-toned setting, possibly a graduation ceremony.

Job Corps can put you on the road to success.

Who you are:

- Age 16 through 24
- A U.S. citizen or legal resident
- Meet the program's income requirements
- Ready to learn, work, and become a leader

Who we are:

- A free education and job training program, administered by the U.S. Department of Labor
- A residential program – most students live on campus, learning at one of 122 Job Corps centers across the country
- A successful program that helps 65,000 students find promising careers each year
- A support network that helps students find great jobs, transportation, housing, health care and other necessities after graduation

Getting there

The Plan

We start with a plan. Not just any plan. This is your plan – a personal map to a better future. Our staff will work with you to set goals and develop your own career plan. We will teach you important computer skills that many jobs now require. You will learn how to build a resume, search for a job and slam dunk the interview. And it all starts the day you arrive.

The Education

Didn't finish high school? Thinking about college? Job Corps offers the academic training you need to succeed – in the workplace and the classroom. Train for a career and earn your high school diploma or GED at the same time.

The Training

Job Corps can show you the way to a career in more than 100 industries, including high-growth, high-demand areas such as healthcare, information technology, automotive, construction and many more. Learn from professionals in your chosen field. Gain experience through internships and projects with local businesses. (See back cover.)

The Support

Once you graduate, Job Corps will help you find a job and make the transition to the working world. Problems at work? Need help finding transportation or housing? Job Corps will stay in touch with you for a full year after your first day on the job.
