Letterhead Certificate for Export of Fresh/Frozen Poultry and Poultry Products to Saudi Arabia

DATE ISSUED _____ CERTIFICATE NUMBER _____

1. *The birds were subject to veterinary examination not more than 12 hours prior to and immediately after slaughter and found free from disease and suitable for human consumption.*
2. *The birds originated from flocks under State supervision for the diseases regulated by the State or the United States Department of Agriculture.*
3. *The birds for slaughter were given careful veterinary inspection and found free from clinical signs of infectious and contagious disease.*
4. *The product was prepared, handled, stored and transported under hygienic conditions.*
5. *The product is in conformity with pertinent United States regulations concerning production, storage, and transport.*
6. *There have been no outbreaks of highly pathogenic avian influenza (fowl plaque), lethal-type Newcastle disease, fowl typhoid and pullorum disease in the State of origin in the 3 months prior to slaughter.*
7. *The product has not been stored with products that have not passed inspection.*
8. *The United States Food and Drug Administration prohibits the use of growth-stimulating hormones in poultry feeds.*
