project will be \$140,000 per year. The institution may request a grant in the amount of \$70,000 or less. The institution must provide the remaining \$70,000 in cash or in-kind contributions.

Priorities*Invitational Priorities*

We are particularly interested in applications that meet the following invitational priorities.

Invitational Priority 1

Applications from institutions of higher education that propose educational projects that include activities that promote an understanding of economic education for K-12 educators.

Invitational Priority 2

Applications from institutions of higher education that propose educational projects that include activities focused on the targeted world areas of Central and South Asia, the Middle East, Russia, the Independent States of the former Soviet Union, and Africa. These projects should be integrated into the curricula of the home institution or institutions.

Under 34 CFR 75.105(c)(1) we do not give an application that meets the invitational priorities a competitive or absolute preference over other applications.

Application Procedures

The Government Paperwork Elimination Act (GPEA) of 1998, (Pub. L. 105-277) and the Federal Financial Assistance Management Improvement Act of 1999 (Pub. L. 106-107) encourage us to undertake initiatives to improve our grant processes. Enhancing the ability of individuals and entities to conduct business with us electronically is a major part of our response to these Acts. Therefore, we are taking steps to adopt the Internet as our chief means of conducting transactions in order to improve services to our customers and to simplify and expedite our business processes.

Note: Some of the procedures in these instructions for transmitting applications differ from those in the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.102). Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, these amendments make procedural changes only and do not establish new substantive policy. Therefore, under 5 U.S.C. 553(b) (A), the Secretary has determined that proposed rulemaking is not required.

We are requiring that applications for grants for FY 2004 under the BIE Program be submitted electronically using e-Application available through the Department's e-GRANTS system. The e-GRANTS system is accessible through its portal page at: <http://e-grants.ed.gov>.

An applicant who is unable to submit an application through the e-GRANTS system may submit a written request for a waiver of the electronic submission requirement. In the request, the applicant should explain the reason or reasons that prevent the applicant from using the Internet to submit the application. The request should be addressed to: Tanyelle Richardson, U.S. Department of Education, 1990 K Street, NW., Suite 6017, Washington, DC 20006-8521. Please submit your request no later than two weeks before the application deadline date.

If, within two weeks of the application deadline date, an applicant is unable to submit an application electronically, the applicant must submit a paper application by the application deadline date in accordance with the transmittal instructions in the application package. The paper application must include a written request for a waiver documenting the reasons that prevented the applicant from using the Internet to submit the application.

Pilot Project for Electronic Submission of Applications

In FY 2004, the Department is continuing to expand its pilot project of electronic submission of applications to include additional formula grant programs and additional discretionary grant competitions. The BIE Program—CFDA 84.153 is one of the programs included in the pilot project. If you are an applicant under the BIE Program, you must submit your application to us in electronic format or receive a waiver.

The pilot project involves the use of the Electronic Grant Application System (e-Application). Users of e-Application will be entering data on-line while completing their applications. You may not e-mail a soft copy of a grant application to us. The data you enter on-line will be saved into a database. We request your participation in e-Application. We shall continue to evaluate the success of e-Application and solicit suggestions for its improvement.

If you participate in e-Application, please note the following:

- When you enter the e-Application system, you will find information about its hours of operation. We strongly recommend that you do not wait until

the application deadline date to initiate an e-Application package.

- You will not receive additional point value because you submit a grant application in electronic format, nor will we penalize you if you submit an application in paper format.

- You must submit all documents electronically, including the Application for Federal Education Assistance (ED 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- Your e-Application must comply with any page limit requirement described in this notice.

- After you electronically submit your application, you will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the Application for Federal Education Assistance (ED 424) to the Application Control Center after following these steps:

1. Print ED 424 from e-Application.

2. The institution's Authorizing Representative must sign this form.

3. Place the PR/Award number in the upper right hand corner of the hard copy signature page of the ED 424.

4. Fax the signed ED 424 to the Application Control Center at (202) 260-1349.

- We may request that you give us original signatures on all other forms at a later date.

Application Deadline Date Extension in Case of System Unavailability:

If you are prevented from submitting your application on the application deadline date because the e-Application system is unavailable, we will grant you an extension of one business day in order to transmit your application electronically, by mail, or by hand delivery. For us to grant this extension—

1. You must be a registered user of e-Application, and have initiated an e-Application for this competition; and

2. (a) The e-Application system must be unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

- (b) The e-Application system must be unavailable for any period of time during the last hour of operation (that is, for any period of time between 3:30 and 4:30 p.m., Washington, DC time) on the application deadline date.

The Department must acknowledge and confirm these periods of unavailability before granting you an

extension. To request this extension or to confirm the Department's acknowledgement of any system availability, you must contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** or (2) the e-GRANTS help desk at 1-888-336-8930.

This document is intended to notify the general public.

DATES AND TIMES: Thursday, September 11, 2003, beginning at 9 a.m. and ending at approximately 5 p.m.

SUPPLEMENTARY INFORMATION: The Advisory Committee on Student Financial Assistance is established under Section 491 of the Higher Education Act (HEA) of 1965 as amended by Public Law 100-50 (20 U.S.C. 1098). The Advisory Committee serves as an independent source of advice and counsel to the Congress and the Secretary of Education on student financial aid policy. Since its inception, the Committee has been charged with providing technical expertise with regard to systems of need analysis and

application forms, making recommendations that result in the maintenance of access to postsecondary education for low- and middle-income students; conducting a study of institutional lending in the Stafford Student Loan Program; assisting with activities related to the 1992 reauthorization of the Higher Education Act of 1965; conducting a three-year evaluation of the Ford Federal Direct Loan Program (FDLP) and the Federal Family Education Loan Program (FFELP) under the Omnibus Budget Reconciliation Act (OBRA) of 1993; and assisting Congress with the 1998 reauthorization of the Higher Education Act.

The congressional mandate requires the Advisory Committee to conduct objective, nonpartisan, and independent analyses on important aspects of the student assistance programs under Title IV of the Higher Education Act. The Committee traditionally approaches its work from a set of fundamental goals: promoting access; ensuring program integrity; integrating delivery across the Title IV programs; eliminating or avoiding program complexity; and minimizing burden on students and institutions.

The most important charge of the Advisory Committee is to make recommendations to Congress and the Secretary that will lead to the maintenance and enhancement of access to postsecondary education for low- and middle-income students. In addition to carrying out its ongoing statutory charges, the Committee dedicated itself to articulating the current state of access by developing two reports on the condition of access, *Access Denied: Restoring the Nation's Commitment to Equal Educational Opportunity and Empty Promises: The Myth of College Access in America*. As a result of the findings in its access reports, the Committee submitted its access proposal to Congress in May 2003 in preparation for reauthorization of the Higher Education Act. The Committee will review and evaluate, from an access perspective, other reauthorization proposals and ideas emanating from Congress and the higher education community.

The proposed agenda includes discussion sessions with congressional staff and members of the higher education community focusing on reauthorization proposals and ideas related to: (a) The Committee's access partnership, (b) grants and work, (c) loans, (d) accountability, college costs and consumer information, and (e) address other Committee business. Space is limited and you are encouraged

to register early if you plan to attend. You may register through the Internet at ADV.COMSFA@ed.gov. or Tracy.Deanna.Jones@ed.gov. Please include your name, title, affiliation, complete address (including Internet and e-mail—if available), and telephone and fax numbers. If you are unable to register electronically, you may mail or fax your registration information to the Advisory Committee staff office at (202) 219-3032. Also, you may contact the Advisory Committee staff at (202) 219-2099. *The registration deadline is Monday, September 8, 2003.*

The Advisory Committee will meet on Washington, DC on Thursday, September 11, 2003, from 9 a.m. until approximately 5 p.m.

Records are kept of all Committee proceedings, and are available for public inspection at the Office of the Advisory Committee on Student Financial Assistance, Capitol Place, 80 F Street, NW., Suite 413, Washington, DC from the hours of 9 a.m. to 5:30 p.m., weekdays, except Federal holidays.
