Annual Burden Hours: 7,851,257.

Abstract: The Department of Education has published final guidance that provides for the collection and reporting of racial and ethnic data on students, teachers, and education staff. These changes are necessary in order to implement the Office of Management and Budget's (OMB) 1997 Standards for Maintaining, Collecting, and Presenting Federal Data on Race and Ethnicity. The final guidance applies to the collection of individual-level data and to the reporting of aggregate racial and ethnic data to the Department by educational institutions and other recipients of grants and contracts.

Additional Information: The Department of Education (ED) is specifically requesting the data providers in each the State Education Agency (SEA) to review the estimation of paperwork burden on those who will collect, maintain, and report this data. This is not a review of the substance of the final guidance. That public discussion took place between the publication of the proposed guidance on August 7, 2006 and the publication of the final guidance on October 17, 2007.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: This program supports local efforts to enhance the oral language, cognitive, and early reading skills of preschool-aged children, especially those from low-income families, through strategies, materials, and professional development that are grounded in scientifically based reading research.

The specific activities for which recipients must use grant funds are identified in section 1222(d) of the Elementary and Secondary Education Act of 1965, as amended (ESEA). This and other relevant provisions of the ESEA are included in the application package.

Priorities: This competition includes one competitive preference priority and three invitational priorities.

Competitive Preference Priority: In accordance with 34 CFR 75.105(b)(2)(ii), this priority is from § 75.225 of the Education Department General Administrative Regulations (EDGAR), which apply to this program (34 CFR 75.225).

Competitive Preference Priority—Novice Applicant

For FY 2008 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, this priority is a competitive preference priority. Under

34 CFR 75.105(c)(2)(i) we award an additional five (5) points to a pre-application and an additional five (5) points to a full application that meets this competitive preference priority.

This priority is:

Novice Applicant

The applicant must be a "novice applicant" as defined in 34 CFR 75.225.

Under this competition we are particularly interested in applications that address the following invitational priorities.

Invitational Priorities: For FY 2008 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, these priorities are invitational priorities. Under 34 CFR 75.105(c)(1) we do not give an application that meets these invitational priorities a competitive or absolute preference over other applications.

These priorities are:

Invitational Priority 1—Intensity

The Secretary is especially interested in preschool programs that operate full-time, full-year early childhood educational programs, at a minimum of 6.5 hours per day, 5 days per week, 46 weeks per year, and that serve children for the two consecutive years prior to their entry into kindergarten.

Scientifically based research on increasing the effectiveness of early childhood education programs serving children from low-income families tells us that children attending such programs that have a greater intensity of service make higher and more persistent gains in the language and cognitive domains than children who attend early childhood programs that have lesser intensity of service. In other words, children who spend more time in high-quality early childhood education programs learn more than children who spend less time in those programs. The purpose of this invitational priority is to encourage preschool programs supported with Early Reading First funds to provide services that are of a sufficient duration and intensity to maximize language and early literacy gains for children enrolled in those programs.

Invitational Priority 2—English Language Acquisition Plan

For applicants serving children with limited English proficiency, the Secretary is especially interested in applications that include a specific plan for the development of English language proficiency for these children from the start of their preschool experience. The Early Reading First program is designed

to prepare children to enter kindergarten with the necessary cognitive, early language, and literacy skills for success in school. School success often is dependent on each child entering kindergarten as proficient as possible in English so that the child is ready to benefit from formal reading instruction in English when he or she starts school.

Note: The term "limited English proficient" is defined in section 9101(25) of the ESEA (20 U.S.C. 7801(25)). That definition is included in the application package.

An English language acquisition plan should, at a minimum: (1) Include a description of the applicant's approach to the development of language, based on the linguistic factors or skills that serve as the foundation for a strong language base, which foundation is a necessary precursor for success in the development of pre-literacy and literacy skills for children with limited English proficiency; (2) explain the instructional strategies, based on best available valid and reliable research, that the applicant will use to address English language acquisition in a multi-lingual classroom; (3) describe how the project will facilitate the children's transition to English proficiency through such means as the use of environmental print in appropriate multiple languages and hiring bilingual teachers, paraprofessionals, or translators to work in the preschool classroom; (4) include intensive professional development for instructors and paraprofessionals on the development of English language proficiency; and (5) include a timeline that describes benchmarks for the introduction of the development of English language proficiency and use of measurement tools.

Ideally, at least one instructional staff member in each Early Reading First classroom should be dual-language proficient in a child's first language and in English to facilitate the children's understanding of instruction and transition to English proficiency. At a minimum, each classroom should include a teacher who is proficient in English.

Invitational Priority 3—Faith-based Organizations

The Secretary is especially interested in applications that propose to engage faith-based and community organizations in the delivery of services under this program.

Program Authority: 20 U.S.C. 6371–6376.

Applicable Regulations: (a) The Education Department General

Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98, and 99.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

II. Award Information

Type of Award: Discretionary grant.

Estimated Available Funds: The Administration has requested \$117,666,000 for awards for the Early Reading First program for FY 2008, of which we intend to use an estimated \$116,489,340 for this competition. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process before the end of the current fiscal year if Congress appropriates funds for this program.

Contingent upon the availability of funds and the quality of applications, we may make additional awards in FY 2009 from the list of unfunded applicants from this competition.

Estimated Range of Awards: \$1,500,000–\$4,500,000.

Estimated Average Size of Awards: \$3,000,000.

Estimated Number of Awards: 25–77.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 36 months.

III. Eligibility Information

1. **Eligible Applicants:** Under this competition, eligible applicants are (a) one or more local educational agencies (LEAs), including charter schools that are considered LEAs under State law, that are eligible to receive a subgrant under the Reading First program (Title I, Part B, Subpart 1 of the ESEA); (b) one or more public or private organizations or agencies (including faith-based organizations) located in a community served by an eligible LEA; or (c) one or more eligible LEAs, applying in collaboration with one or more eligible organizations or agencies. To qualify under paragraph (b) of this definition, the organization's or agency's application must be on behalf of one or more programs that serve preschool-aged children (such as a Head Start program, a child care program, a family literacy program such as Even Start, or a lab school at a university), unless the organization or agency itself operates a preschool program.

Lists, by State, of LEAs that qualify under paragraph (a) of this definition for

this FY 2008 competition are posted on the Early Reading First Web site at <http://www.ed.gov/programs/earlyreading/eligibility.html>. These lists are based on the most recent information provided by each State and the Bureau of Indian Education (BIE) to the Department's Reading First program, and are posted for the convenience of Early Reading First applicants. However, we consider it to be each applicant's responsibility to verify with the Reading First office in its State, or with the BIE, as appropriate, whether a particular LEA is eligible to receive a subgrant under the Reading First program as of the date of publication of this notice in the **Federal Register**. A list of State and BIE contacts for this purpose is also posted at the Early Reading First Web site at <http://www.ed.gov/programs/earlyreading/eligibility.html>.

Eligibility determination date: The date governing whether an LEA is eligible to receive a subgrant under the Reading First program is the date of publication in the **Federal Register** of this notice inviting applications for new awards under the Early Reading First program for FY 2008.

Required submission of eligibility information: Each applicant must complete as follows and submit with its pre-application for this competition Pre-Application Form A, Applicant Eligibility, which is included in the application package:

- LEAs included on a posted eligibility list: If the LEA on which you, the applicant, are basing your Early Reading First eligibility is included on the State's Reading First subgrant eligibility list posted on the Early Reading First Web site, you must complete Section I of Pre-Application Form A (Applicant Eligibility) and submit that form with your pre-application.

- LEAs not included on a posted eligibility list: If the LEA on which you, the applicant, are basing your Early Reading First eligibility is not included on the State's Reading First subgrant eligibility list posted on the Early Reading First Web site, you must complete both Section I and Section II of Pre-Application Form A (Applicant Eligibility) and submit that form with your pre-application. Section II requires you to verify with your State's Reading First office, or the BIE, as appropriate, that the LEA is in fact eligible to receive a Reading First subgrant as of the date of publication in the **Federal Register** of this notice. You must also submit the name of, and contact information for, the person with whom you verified that information. If you are invited to submit

a full application and we are unable to verify the LEA's eligibility from the contact information that you have provided, we may not consider the LEA as an eligible LEA for the purposes of this competition or we may require you to submit additional written information demonstrating eligibility.

2. *Cost Sharing or Matching*: This program does not require cost sharing or matching.

Pre- and full applications for grants under this competition must be submitted electronically using the Grants.gov Apply site (Grants.gov). For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 6. *Other Submission Requirements* in this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII in this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice. Deadline for Intergovernmental Review: June 16, 2008.

4. *Intergovernmental Review:* This competition is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this competition.

5. *Funding Restrictions:* We reference regulations outlining funding restrictions in the *Applicable Regulations* section in this notice.

6. *Other Submission Requirements:* Pre- and full applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications.*

Pre- and full applications for grants under the Early Reading First program, CFDA Number 84.359A (pre-application) and CFDA Number 84.359B (full application), must be submitted electronically using the Governmentwide Grants.gov Apply site at <http://www.Grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your pre- or full application. You may not e-mail an electronic copy of a grant application to us.

We will reject your pre- or full application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement *and* submit, no later than two weeks before the pre- or full application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the pre- or full application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for the Early Reading First competition at <http://www.Grants.gov>. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search (e.g., search for 84.359, not 84.359A).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are date and time stamped. Your pre- and full applications must be fully

uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30 p.m., Washington, DC time, on the pre- or full application deadline date. Except as otherwise noted in this section, we will not consider your pre- or full application if it is date and time stamped by the Grants.gov system later than 4:30 p.m., Washington, DC time, on the pre- or full application deadline date. When we retrieve your pre- or full application from Grants.gov, we will notify you if we are rejecting your pre- or full application because it was date and time stamped by the Grants.gov system after 4:30 p.m., Washington, DC time, on the pre- or full application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the pre- or full application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this competition to ensure that you submit your pre- and any full application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov at <http://e-Grants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>.

- To submit your pre- or full application via Grants.gov, you must complete all steps in the Grants.gov registration process (see http://www.grants.gov/applicants/get_registered.jsp). These steps include (1) registering your organization, a multi-part process that includes registration with the Central Contractor Registry (CCR); (2) registering yourself as an Authorized Organization Representative (AOR); and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see <http://www.grants.gov/section910/Grants.govRegistrationBrochure.pdf>). You also must provide on your pre- and full application the same D-U-N-S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to submit successfully a pre- or full application via Grants.gov. In addition you will need to update your CCR registration on an annual basis. This

may take three or more business days to complete.

- You will not receive additional point value because you submit your pre- or full application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your pre- or full application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. Please note that two of these forms—the SF 424 and the Department of Education Supplemental Information for SF 424—have replaced the ED 424 (Application for Federal Education Assistance).

- You must attach any narrative sections of your pre- and full applications as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password-protected file, we will not review that material.

- Your electronic pre- and full applications must comply with any page-limit requirements described in this notice.

- After you electronically submit your pre- or full application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. (This notification indicates receipt by Grants.gov only, not receipt by the Department.) The Department then will retrieve your pre- or full application from Grants.gov and send a second notification to you by e-mail. This second notification indicates that the Department has received your pre- or full application and has assigned your pre- or full application a PR/Award number (an ED-specified identifying number unique to your pre- or full application).

- We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are experiencing problems submitting your pre- or full application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1-800-518-4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your pre- or full application on the pre- or full application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30 p.m., Washington, DC time, the following business day to enable you to transmit your pre- or full application electronically or by hand delivery. You also may mail your pre- and full applications by following the mailing instructions described elsewhere in this notice.

If you submit a pre- or full application after 4:30 p.m., Washington, DC time, on the pre- or full application deadline date, please contact the person listed under **FOR FURTHER INFORMATION CONTACT** in section VII in this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your pre- or full application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your pre- or full application by 4:30 p.m., Washington, DC time, on the pre- or full application deadline date. The Department will contact you after a determination is made on whether your pre- or full application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your pre- or full application to Grants.gov before the pre- or full application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your pre- or full application in paper format, if you are unable to submit a pre- or full application through the Grants.gov system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system;

and

- No later than two weeks before the pre- or full application deadline date (14 calendar days or, if the fourteenth calendar day before the pre- or full application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the

two grounds for an exception prevent you from using the Internet to submit your pre- or full application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the pre- or full application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the pre- or full application deadline date.

Address and mail or fax your statement to: Pilla Parker, U.S. Department of Education, 400 Maryland Avenue, SW., room 3C136, Washington, DC 20202–6132. FAX: (202) 260–7764; or Rebecca Marek, U.S. Department of Education, 400 Maryland Avenue, SW., room 3C138, Washington, DC 20202–6132. FAX: (202) 260–7764.

Your paper pre- or full application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

b. Submission of Paper Applications by Mail.

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your pre- or full application to the Department. You must mail the original and two copies of your pre- or full application, on or before the pre- or full application deadline date, to the Department at the applicable following address:

(2) A mail receipt that is not dated by the U.S. Postal Service.

If your pre- or full application is postmarked after the pre- or full application deadline date, we will not consider your pre- or full application.

c. Submission of Paper Applications by Hand Delivery.

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper pre- or full application to the Department by hand. You must deliver the original and two copies of your pre- or full application by hand, on or before the pre- or full application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Numbers 84.359A and B), 550 12th Street, SW., Room 7041, Potomac Center Plaza, Washington, DC 20202–4260.

If you do not receive this notification within 15 business days from the pre- or full application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245–6288.

V. Application Review Information

1. *Selection Criteria:* This competition has separate selection criteria for pre-applications and full applications.

A. Pre-application: The following selection criteria for this competition for the pre-application are from 34 CFR 75.210 of EDGAR. Further information about each of these selection criteria is in the application package. There are two selection criteria, *Need for Project* and *Quality of the Project Design*. The maximum score for the pre-application selection criteria is 100 points.

(i) *Need for project* (0–20 points)

The Secretary considers the need for the proposed project. In determining the

need for the proposed project, the Secretary considers the following factors:

(a) The extent to which the proposed project will provide services or otherwise address the needs of students at risk of educational failure. (34 CFR 75.210(a)(2)(iii))
