

Media Advisory – For Immediate Release

Syphilis Elimination Effort (SEE) Public Forums

The Centers for Disease Control and Prevention (CDC) is hosting two public forums to provide health professionals, public health practitioners and the community leaders with information about syphilis and Syphilis Elimination Efforts and to solicit comments on community mobilization.

WHO: Centers for Disease Control and Prevention (CDC)

WHAT: Public Forums on syphilis and the Syphilis Elimination Efforts (SEE)

WHERE/WHEN: **Thursday, June 6, 200-**

Centers for Disease Control and Prevention -
Auditorium A & B
1600 Clifton Road, Atlanta, GA

10:00 AM - 3 PM *Eastern Time*

Friday, June 7, 200-

Centers for Disease Control and Prevention -
Auditorium A & B
1600 Clifton Road, Atlanta, GA

10:00 AM - 3 PM *Eastern Time*

WHY: Contrary to the general belief, syphilis is still an important public health concern in the U.S. Discussions and collaborations among health care providers, public health practitioners and the community leaders are crucial for the success of Syphilis Elimination Efforts (SEE). These forums will provide information and solicit comments on community mobilization for SEE. Photo opportunities with Dr. Julie Gerberding, CDC Director, will be available.
