Title: 1999 National Study of Postsecondary Faculty (NSOPF—99): List Collection Procedures and Institution Questionnaire.

Frequency: One Time.

Affected Public: Not-for-profit institutions.

Reporting Burden and Recordkeeping:

Responses: 1,550.

Abstract: The third cycle of the NSOPF is being conducted in response to a continuing need for data on faculty and instructors. The study will provide information about faculty in postsecondary institutions which is key to learning about the quality of education and research in these institutions. This study will expand the information about faculty and instructional staff in two ways—allowing comparisons to be made over time and examining critical issues surrounding faculty that have developed since the first two studies. This clearance request covers field test and full scale activities for the first phase of the study—collection of lists of current faculty and instructors from sampled postsecondary institutions and a questionnaire to be filled by institution administrative officials to provide information about the context of the institution, such as hiring and promotion practices, policies on benefits, tenure, workload and salary, etc. A second clearance request will be submitted shortly covering the faculty survey materials.
