DEPARTMENT OF FORESTRY**

REGULATED CLOSURE PROCLAMATION

Number 13

Effective: 01:00 a.m., PDT, July 11, 2008

By virtue of the authority vested in me under the provisions of ORS 477.535 to 477.550, I hereby proclaim a Regulated Closure to be in effect in the following subject area:

All lands protected by the Northeast Oregon Forest Protection District which are within one-quarter of one mile of the Wallowa River from Minam downstream to the confluence with the Grande Ronde River at Rondowa (excluding Minam State Park), then continuing downstream on the Grande Ronde River to Wildcat Bridge.

Under this Regulated Closure, except as to the owner's legal right of entry upon their land, entry to all forestland is unlawful unless entrants comply with the following restrictions:

1. Smoking is prohibited while traveling, except in boats on the water, on sand or gravel bars that lie between water and high water marks which are free of vegetation, and on improved roads.
2. Open fires are prohibited, including campfires, charcoal fires, cooking fires and warming fires, except at designated locations. Portable cooking stoves using liquefied or bottled fuels are allowed.
3. Use of fireworks is prohibited.

The State Forester or an authorized representative may, in writing, approve a modification or waiver of these requirements.

These restrictions shall remain in effect until replaced, suspended, or terminated by an additional proclamation of the State Forester or an authorized representative.

Maps of the subject area may be viewed at the State Forester's Office, in Salem, Oregon, and at principle offices of the Forest Protection District.
