

2/8/64

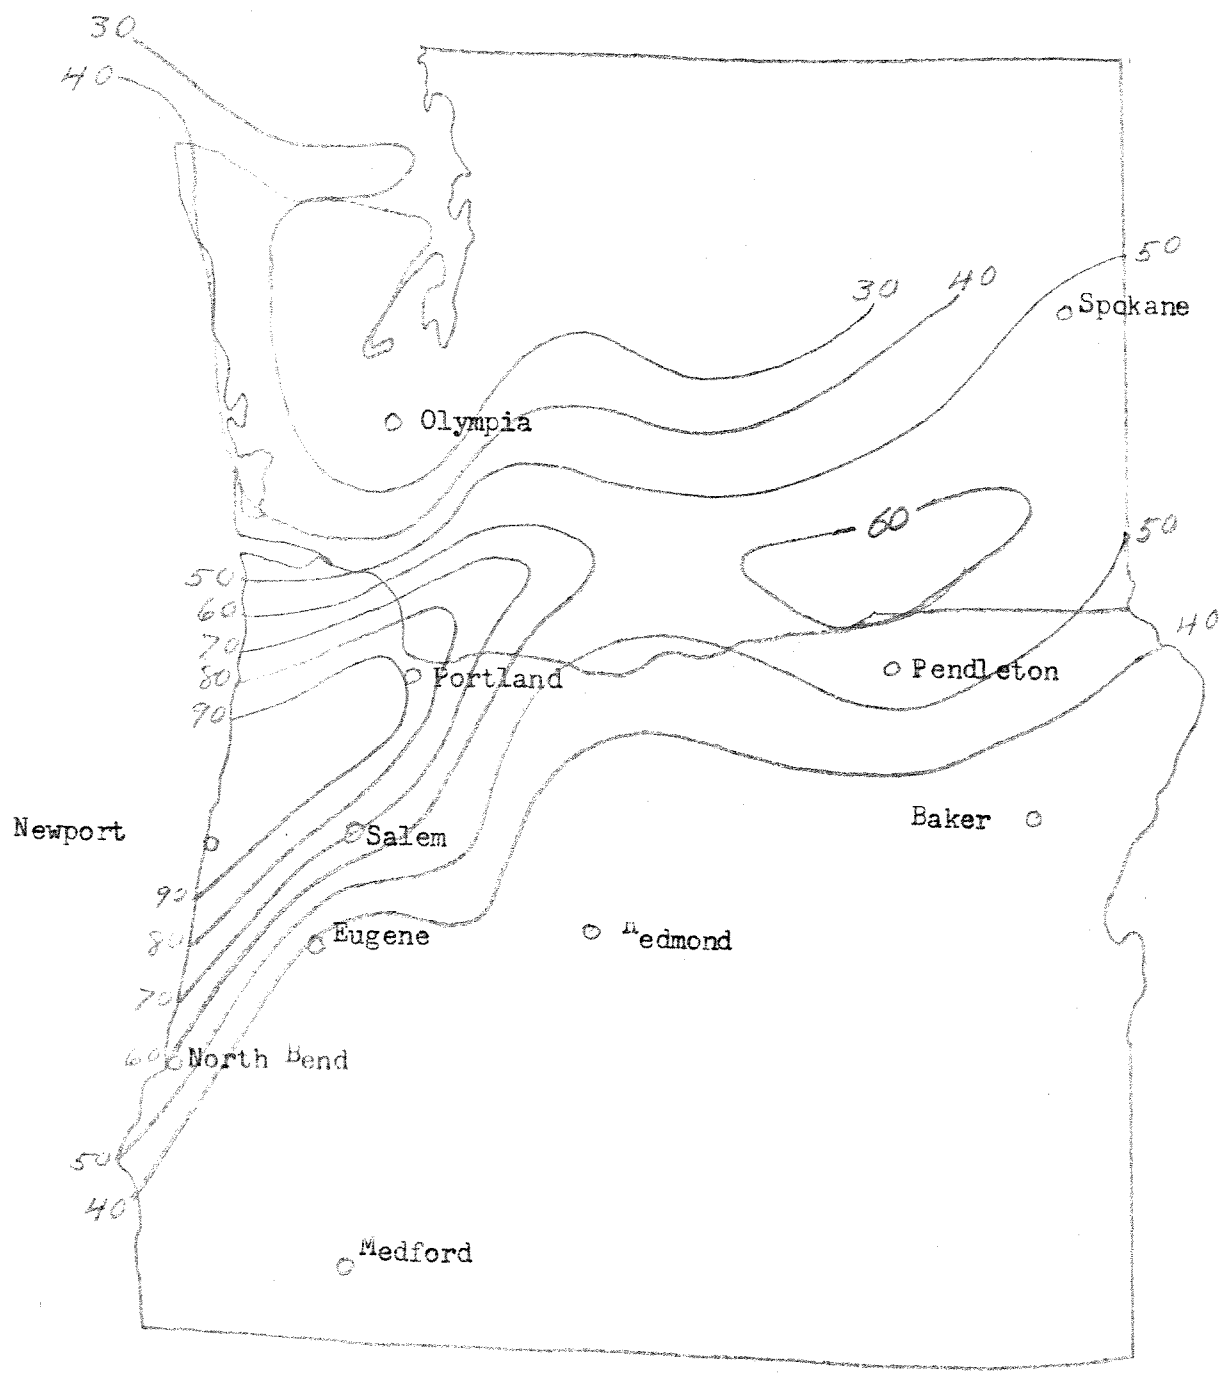

Winds of up to 103 mph
were reported on immediate
coast Friday, February 5, 1965.

In the Portland area the
storm hit about 8:30 AM
and subsided about 2:30 PM

Downed in Portland; asphalt
stripped off in S.E. area;

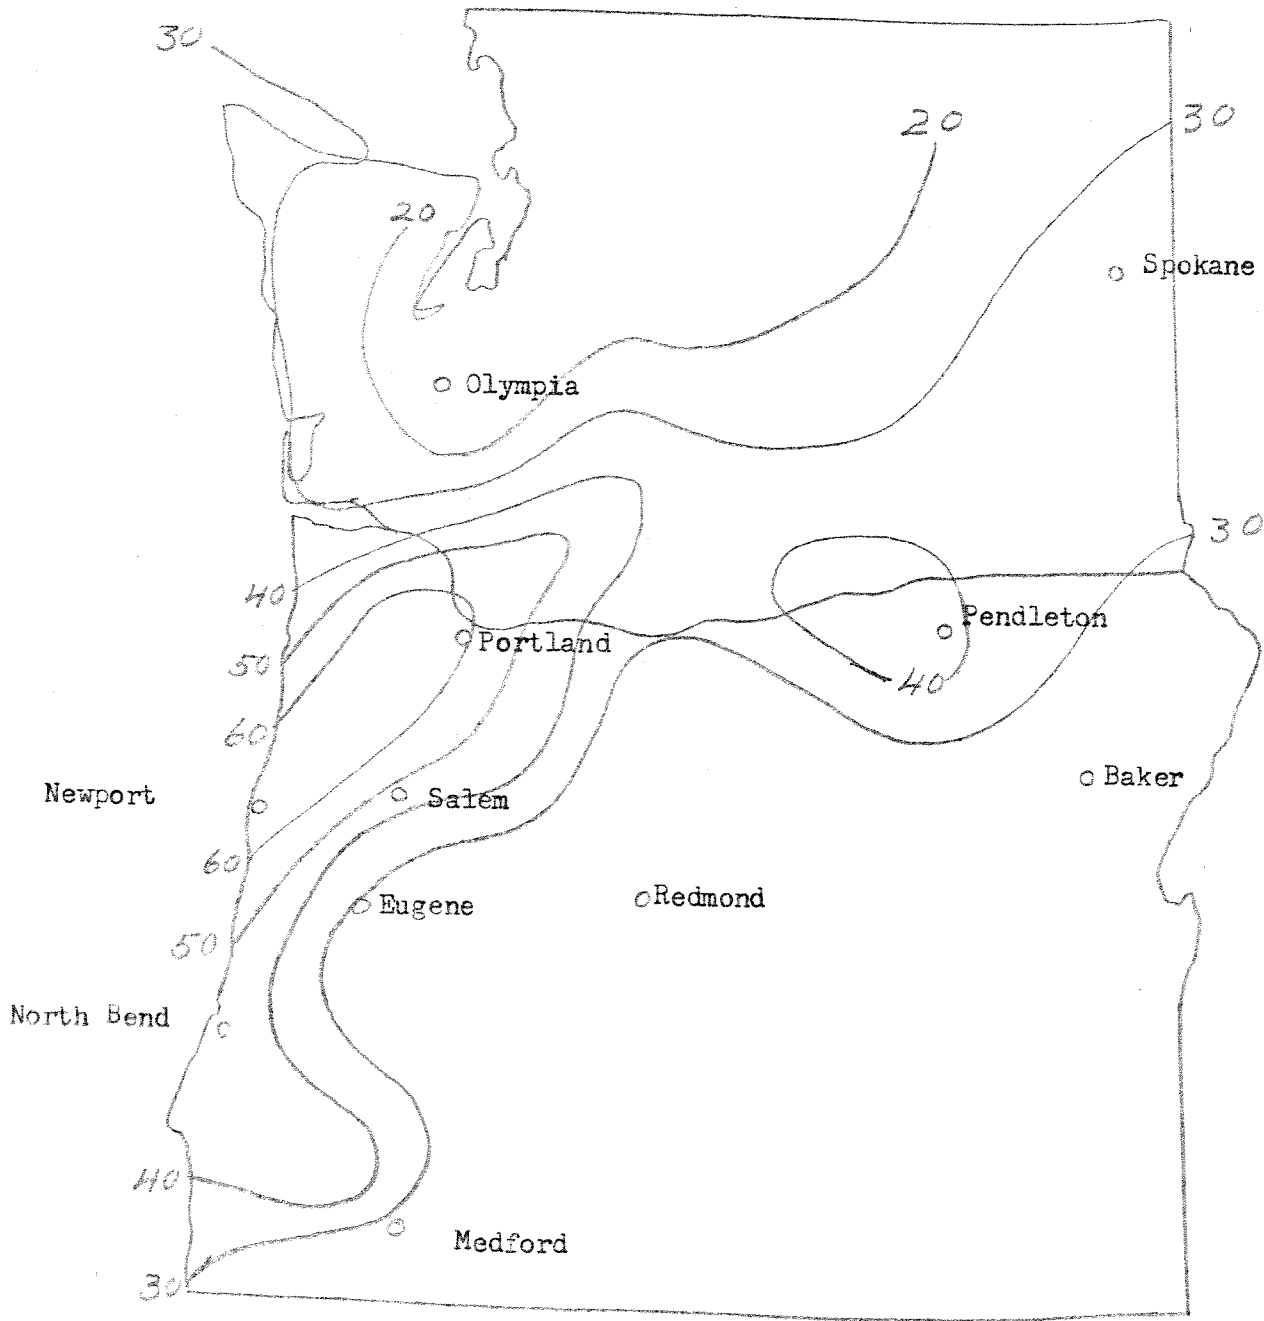

Reports indicate high
winds also hit Blue
Mts in Oregon

Good probability of
heavy weather since
ground conditions were
very wet.
