

GLBTS Future Focus

GLBTS IWG Meeting
December 7, 2005

GLBTS Successes!

- Raised the visibility of PTS nationally and internationally
- Promotes prevention
- Provides an example of collaboration
- Provides critical Great Lakes Ecosystem information

Input from other Great Lakes Fora

- IJC Review – 2001
- GLRC Toxics Pollutant Team Recommendations
- Canadian Competitiveness and Environmental Sustainability Framework

New Opportunities??

- Finish the Job on Priority Pollutants
- Design Framework for New Chemicals
- Expand Role to Encompass Surveillance
- Increase International Outreach

Next Steps

- Facilitated Discussion Today
- Revise Paper Based on Discussions
- Take Up Again in Windsor
