Docket No. MC2008-1

ORDER GRANTING MOTION FOR EXTENSION OF TIME

(Issued September 19, 2008)

DigiStamp, a participant in this proceeding, requests a one-week extension of time to file reply briefs in this proceeding from September 23 until September 30, 2008.¹

In support, DigiStamp explains that its Lead Technologist, CEO Rick Borgers, has been unable, due to other commitments, “to prepare a full response to the ... legal argument and comments filed by participants on September 10.” *Id.* at 1. DigiStamp asserts no other participant should be prejudiced by the extension.

The extension is granted. An extension would not appear to be prejudicial to any participant and will provide all participants ample opportunity to address matters raised in initial briefs. Accordingly, the due date for filing reply briefs is extended by one week until September 30, 2008.

¹ Motion of DigiStamp for Extension of Time, September 17, 2008.

It is Ordered:

1. The Motion of DigiStamp for Extension of Time, filed September 17, 2008, is granted.
2. The procedural schedule is revised as set forth in the body of this Order.

By the Commission.
