Student Financial Assistance; Federal Perkins Loan, Federal Work-Study, and Federal Supplemental Educational Opportunity Grant Programs

Notice of the closing date for submitting waivers of the allocation reduction provisions of the Federal Perkins Loan, Federal Work-Study (FWS), and Federal Supplemental Educational Opportunity Grant (FSEOG) programs.

SUMMARY: Under sections 413D(d)(2), 442(d)(2), and 462(i)(4) of the Higher Education Act of 1965, as amended, if an institution returns to the Department for reallocation more than ten percent of its Federal Perkins Loan, FWS, or FSEOG allocation for an award year, the institution will have its allocation for the second succeeding award year for that program reduced by the dollar amount returned. The Secretary may waive this requirement for an institution if the Secretary finds that enforcement of the requirement would be contrary to the interest of that program. The Secretary considers the enforcement of this requirement contrary to the interest of that program only if the institution returns more than ten percent of its allocation due to circumstances beyond the institution's control that are not expected to recur. Accordingly, we give notice to institutions that returned more than ten percent of their 1999-2000 award year allocations under the Federal Perkins Loan, FWS, or FSEOG programs of the deadline date for submitting a written request to waive the allocation reduction provisions for those programs for the 2001-2002 award year.

DATES: *Closing Date for Submitting a Waiver Request and Supporting Information or Documents.* If an institution returned more than ten percent of its Federal Perkins Loan, FWS, or FSEOG allocation for the 1999-2000 award year and wants a waiver of the allocation reduction provision under that program for the 2001-2002 award year, it must submit a waiver request, provide a written explanation for its return of those funds, and submit any additional documentation to support its explanation by October 1, 2000.
