Subject: Unemployment Compensation (UC) Charges

Attached is the prorated share of UC charges for each bureau. The Department of Labor (DOL) billing for October, November, and December (FY 2007) was allocated to each bureau based on percentages obtained from the contractor's match of actual state charges with Department of the Interior payroll records for the period October 1, 2003 through September 30, 2006. A copy of the pertinent DOL bill is attached. Additional DOL bills may be forthcoming for those states that have not reported charges.

The Division of Financial Management Services, National Business Center, will use IPAC (Intra-Government Payment and Collection) System to bill each bureau for these UC charges. If you have any questions concerning this subject, please contact Michael Anthony on (202) 208-6824.
